## Casey Edwards, Victor Borba - Bury The Light

**(Allegedly, DON'T QUOTE US)**

Immortal Temptation

Takes over my mind

Condemned

Fallen weak on my knees

Summon the strength

Of mayhem

I am the storm that is approaching

Provoking

Black clouds in isolation

I am reclaimer of my name

Born in flames

I have been blessed

My family crest is a demon of death

Forsakened

I am awakened

A phoenix's ash in dark divine

Descending misery

Destiny Chasing Time

Inherit the nightmare  
Surrounded by **fate**  
Can't run away

Keep walking the line  
Between the **light**  
Led astray

**Through vacant halls**  
I won't surrender  
The truth revealed the **Eyes of Ember**  
We fight through fire and ice forever  
Two souls once lost and now they remember

**(epic solo)**

I am the storm that is approaching **(reference)**  
Provoking  
Black clouds in isolation

I am reclaimer of my name  
Born in flames  
I have been blessed  
My family crest is a demon of death

Forsakened  
I am awakened  
**A phoenix's ash in dark divine**

Descending misery  
**Destiny Chasing Time**

Disappear into the night  
**Lost** shadows left behind

Obsession's pulling me  
**Fading**, I've got to take what's mine

**(epic solo)**

**Lurking in the shadows under veil of night**  
Constellations of blood **Pirouette**  
Dancing through the graves of those who stand at my feet.  
Dreams of the black throne I keep on repeat

**A derelict of dark**  
Summoned from the ashes

The puppet master congregates all the masses  
Pulling Strings  
Twisting minds  
As blades hit  
You want this power?  
Then come try and take it.

Beyond the tree  
Fire burns  
Secret love Reference  
Bloodline yearns

Dark minds  
Embrace  
Crimson Joy Reference

Does your  
Dim Heart

Heal or  
Destroy?

(SICK ASS SOLO)

Bury the light deep within **PASS THE AUX CABLE**  
Cast aside  
There's no coming home  
We're burning chaos in the wind  
Drifting in the ocean all alone

(epic solo ala Devil Trigger, this is the part where you sing along)

EMBRACE THE DARKNESS THAT'S WITHIN ME  
NO HIDING IN THE SHADOWS ANYMORE  
WHEN THIS WICKEDNESS CONSUMES ME

## FINDINGS/SPECULATION/ REFERENCES:

Alleged lyrics	References/speculation
<p>I am the storm that is approaching</p>	<p>Vergil: Looks like we have an uninvited guest.</p> <p>Arkham: Is that so?</p> <p>Vergil: A human... A woman.</p> <p>Arkham: I'm afraid I should ask the uninvited one to leave. That is what you want.</p> <p>Actually, I happened to be acquainted with that woman.</p> <p>A storm is approaching...</p> <p><a href="https://twitter.com/ComposerCasey/status/1307757424749682694">https://twitter.com/ComposerCasey/status/1307757424749682694</a></p>
<p>Born in flames</p>	<p>Interesting comparison to Nero's theme "<i>Branded by Fire – Born in the abyss</i>"</p> <p>Could be a reference to Eva's death/the Sparda home burning down</p> <p>Agreed, it's what defines them in a way</p>
<p>Inherit the nightmare Surrounded by <b>fate</b> Can't run away</p>	<p>Could be interpreted as him hating his demonic "heritage" but being surrounded by his fate or in the faith sense, the worshippers in Fortuna?</p> <p>He comes to Fortuna looking for The Order of The Sword. "They worship a Demon as a God?", "Just what are your true intentions?", that's when he meets Nero's mom, in the same cutscene. "</p> <p>4SE ends with Vergil saying "Well, I can't exactly call them misguided. But soon, they shall know this devil's power. A power greater than they ever imagined. A power of</p>

	<p>a son of Sparda.”</p> <p>He could be referring to the nightmare of having all of Hell want his death and the death of people he loves. Hell only hates Vergil because of his father. That inherited nightmare killed Eva and maybe Nero’s mother. Its not something he can run away from. Hell will always find him.</p> <p>I’d imagine Vergil curses his father for granting him his fate. Cant believe Sparda went out for a pack of cigs and never came home.</p> <p>Vergil created his familiars by discarding his trauma from his time as Nelo Angelo. Quite literally making familiars out of his nightmares. This could refer to V embracing that as a source of power.</p>
<p>My family crest is a demon of death</p>	<p>Sparda is considered a Demon of Death? Unless...</p> <p>Yamato was also “named after a god of death” and we know Yamato is a part of Sparda’s soul from 5’s library mode</p> <p>That also makes it the family crest considering Vergil had it, and lost it, then Agnus collected it and Nero eventually got it. Then he took back what was rightfully his from his family.</p> <p>In a more literal sense, how many demons did sparda kill to save humanity? It makes sense that vergil saw him as a demon of death considering thats all sparda gave to his family.</p>
<p>A phoenix’s ash in dark divine</p>	<p>sounds like it’s referring to him merging back with V or calling v himself divine. V would certainly qualify as vergil’s ashes. WHICH IS HIM SAYING HIS HUMANITY IS DIVINE. wholesome</p> <p>Phoenix’s are known for their ability to be reborn. To be reborn in a dark divide alludes to vergil coming back from the brink i suppose??</p>
<p>The vacant (w)holes, /The vacant wholes I won’t surrender</p> <p><u>wrong lyrics</u></p>	<p>If that’s the lyrics, it could refer the emptiness that was left behind after Eva died, he’s not surrendering that feeling, he’s still hung up on it</p> <p>It also might refer to his two halves? Demon</p>

	<p>and human. He might consider them incomplete or empty, since he hasn't properly cultivated either side. But even if they are vacant, he won't surrender either, showing his new affection for his humanity  ^big if true</p>
<p>The truth revealed the <b>Nights of Ember</b>   <u>wrong lyrics</u></p>	<p>Might be referring to the descendants of Sparda. Sparda is the Dark Knight, normally represented by fire behind him. They come after that fire, they are the Knights of Ember</p> <p>"Nights" of Ember could also be another reference to the incident in which Eva died</p> <p>Agreed, when Mundus found out Sparda had a family there aka learned the truth, he burned the place down</p> <p>I second the notion about the demons who came in and yeeted the sparda family into the pits of hell. Literal demons clad in fire.</p>
<p>I am reclamer of my name</p>	<p>Visions of V pushed the idea that Hell thought Sparda only had one child, Dante. (This was also said by Beowulf in 3). Vergil's name was completely forgotten. Vergil intends to reclaim his forgotten name. YO. big moves. Pro clue hunter move. Tinfoil hat theory incoming - He may be referring to the name Vergil/Virgil itself as the character who led Dante through hell in Inferno, 5 established that Vergil was a fan of William Blake's work who famously adapted Inferno into a series of illustrations.</p>
<p>Forsaken I am awakened</p>	<p>Vergil may be referring to himself as forsaken. V realized that Vergil had made a mistake by tossing away his humanity. Perhaps Vergil realized he was stepping on Sparda's legacy. He may consider himself forsaken, but through the events of 5, he's awakened to the truth. The true power Dante mentioned in 5.</p>
