

Day 9/60 - \$0/\$10K Client Revenue

1 GWS - Improve final offer:

Aim of the GWS:

- Look for more possible ways to deliver results
- Gather more top players to analyze

What tasks/objectives did I demolish?

- Look for top players
- Look at their strategies
- How they are achieving X outcome
- What source of traffic can we use
- What's the best project for now
- How to price it

Problems/mistakes encountered?

- I got into a fight with my GF and it decreased my output and efficiency.

Solutions to each mistake/problem?

- I need to pre-solve such a problems

End day review:

Overall problems/mistakes throughout the day?

- Got into a fight with my GF because of my own problems and not being able to remember the details that were important for her.

Solution to that?

- While being with her, actually focus on being with her. Don't allow yourself to wonder through the world, thinking about business.

Tasks for tomorrow?

- Upgrade the presentation
- Upgrade basic math
- Market research for Wykrój wewnątrz
