

**CKLA:**

In today's lesson we are going to be learning a lot of new information!!! Does anyone recognize the name Pocohantas? What about John Smith? Did you know that Jamestown had to start their colony twice? Wonder why? Did you know that settlers brought a Native American to meet the King? I wonder who it was? Read the following chapter in your reader to find the answers to these questions.

[Jamestown and the Powhatan Read-Aloud](#)

After you have listened to the read-aloud read the following chapter listed below and go on a tour with Tom and Jane and get an inside look of their daily lives.

[Jamestown: Hunting the Powhatan Way](#)

Then practice retelling the story using the setting, characters, and events that happened. Please do the best you can and restate each question as well as writing in a complete sentence.

**Social Studies:**

Think about the video you watched yesterday. It broke down the colonies by state. If needed do some research or review the video and fill in the Colonies on the Map located below.
