Hi Everyone,

The FFCC (Fenelon Falls Community Center) is a facility with 3 indoor courts.

As the CoKL (City of Kawartha Lakes) continues with a Facility Rental Program, KLPA will utilize the web based *SuperSaaS Reservation Program*.

Members will need to sign in to SuperSaaS (Click this link to access SuperSaaS) using their Email ID and PW **or** click on the Create a New User Account found below the ID field.

Select a play session and create your reservation:

The Fall 2022 sessions begin October 12. They will be either 9 or 12 week long sessions costing $45 or $60 respectively.
NOTE: When you make your reservation, you will automatically be reserved in all 9 or 12 sessions.

The Winter 2023 sessions have been divided into two groupings:
Group A sessions begin January 2 and are 8 weeks in length costing $40.
Group B sessions begin February 27 and are 7 weeks in length costing $35.

ONLY Sessions that are fully subscribed with 20 players will be validated and space rented with CoKL.

If a session is fully booked, do continue with your reservation and be placed on the Wait-List.
The Wait-List players will be called upon to fill in for absent players from week to week.
Wait-List players are asked to pay $5 cash per visit at the door.

If you have any questions, please do not hesitate to contact me.

Thank you
