

Stowe High Internship Experience

SHINE Statement of Interest

Name		Phone	
Email		Grade/TA	

Why are you interested in pursuing an internship this semester? How would it fit into your plan for high school and beyond?

What field are you interested in? Where does this interest come from, and what background do you have in the field?

Please list 3 businesses (within your transportation abilities) you would like to pursue as primary internship sites and if you have any contacts in that business already.

The only prerequisite for the course is to have a demonstrated work ethic. Evidence for this could be from your SHS Scholarly Habits, a volunteer position, a paid job, or a personal project you have completed. Please list two references (employers, teachers, supervisors, etc) unrelated to you who could provide this positive feedback. Include their contact info (email and phone).

SHS, at this time, does not provide extensive transportation (but we can help locally). What is your plan for getting to and from your potential internship location if it is far away?

Please share your schedule. Attach your class schedule for the desired internship semester to this document, and, in the table below, include your other commitments (work, sports, family, etc.). Include times/frequency.

	Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
