Revision=Re-*Vision*

All good writing is rewriting OR All good writing is just bad writing rewritten =-)

Author: _____

Peer Editor #1: _____ Peer Editor #2: _____

What to look for… (these are areas in which you might need help)

1.

2.

3.

4.

5.

What to do:

- **Compliment** the paper's strengths
- Provide specific **suggestions** for the paper's weaknesses
- **Correct** grammatical and syntactical errors
- **Improve** diction and organization of piece

Most importantly, you must…

MAKE SURE THE PAPER ADDRESSES THE PROMPT, so please write prompt here:

Author's Requests and Editors' Responses. Your requests are specific items you'd like the editors to look at or look for. General questions like, Is this good?, are not really helpful here. You want to ask questions about style, structure, syntax, voice, tone, etc.

Question #1:

Editor #1 response:	Editor #2 response:

Question #2:

Editor #1 response:	Editor #2 response:

Question #3:

Editor #1 response:	Editor #2 response:
