Ye teeno channel ka example dekho kaise videos banana hai ap bhi aaisa hei kuch bana sakte ho ye logo ka bahot dhayn apne taraf kheechta hai jisse app bata kya soch bhi nahi paoge bahot audience dekhti hai

Chalo baat karte hai kaise banaoge aaisi video

Sabse pahle apko

Pika. Art ai pe jana hai waha pe bahot saare option dikhenge login kar lena phir baad me apko image upload karke cake wale option pe click karke video generate kar lena bass ho gaya apka kaam

Ab apko dubbing karni hai aachi si funny si agar ai se karna hai toh elevenlab use kar lo

Phir dono ko mix karo badhiya si video bana lo koi bhi editing software me jake ye lo ho gaya apka video ready bass ab upload pe upload karo
