

2026 Iola Bulldog Relays

We are pleased to welcome you to our track meets and are excited to compete in our newly renovated facilities!

All field events except for High Jump (inside the 200 curve) are located behind the home bleachers. The football field will be used as a warmup area only.

Stadium policies:

- Camp sites should be set up outside of the stadium or in the visitor bleachers.
- No food or drinks on turf. This will be strictly enforced!
- No tape on track surface. This will be strictly enforced!

The JH meet is a ribbon only meet. Place your faster runners in the earlier heats. If you want times, you will need to time them on your own.

We will have meal deals for \$8 that you may purchase for your team. Please see the attached flyer or contact Meagan Van Dyck (979) 255-4474, Casey Childress (979) 219-3333 or email iolahsabc@gmail.com for details.

I will send out a MileSplit link for your entries. Please have all of your entries in by 3/18 at noon so that we only have scratches the day of the meet. For questions please contact:
