Product ordering

Remember to order the Holiday Extras products on your Holiday Extras page in order of volume. In order, this will likely be Airport Parking, Airport Hotels, and Airport Lounges as your top offers, followed by Travel Insurance or Airport Transfers and then Car Hire, UK Taxis, UK Breaks, or any other products we provide you. Please check your product reports and order accordingly.

How discounts apply

Discounts automatically apply once the user searches for a product on Holiday Extras after having clicked your Awin link. There is no need for the customer to have to copy and paste a code on our site. The discount code is embedded in the link. Please make this clear on your site. You can simply say:

“Code automatically applies. Search on Holiday Extras to see the discounts apply”.
