- (E) Consideration or negotiation of pending claims or litigation which has been threatened in writing or filed against the public body or any subdivision thereof, or against any member thereof because of his or her membership in such a public body, until the claim or litigation has been fully adjudicated or otherwise settled.
- (F) Consideration of matters relating to the preparation for and the carrying out of emergency functions, including training to carry out such functions, developed by local or state safety officials that are directly intended to thwart a deliberate act that is intended to result in widespread or severe damage to property or widespread injury or loss of life.
