# One-Year Stipend-Based Corporate Internship Matrix

## **Massive 38-District Expansion: Avaami Technologies Launches the "District Growth Envoy" Onboarding Campaign**

**Avaami Technologies**, a highly reputed, **10+ year authorized Google Cloud Partner**, is officially entering its next hyper-growth phase. For a decade, we have empowered the MSME sector by injecting Google Ecosystem architecture and cutting-edge software solutions into corporate networks. Today, Avaami has evolved into a premier Enterprise SaaS Products Provider.

To accelerate our mission of delivering deep-tier technology solutions to every single corner of Tamil Nadu, we are launching an unprecedented, high-velocity recruitment campaign. We are onboarding **10 Dynamic Tech-Business Envoys from EACH of the 38 districts of Tamil Nadu** for a **One-Year Stipend-Based Corporate Internship Matrix**, with an immediate pathway to permanent corporate employment.

## **The Strategic Shift: Sourcing the Next Generation of Arts & Science Elite**

In a deliberate tactical pivot, Avaami Technologies is bypassing traditional engineering pipelines. We are exclusively sourcing our foundational talent from the premier **Arts and Science Colleges of Tamil Nadu**. We are looking for high-merit minds who possess the agility to blend technical literacy with business execution.

### **Stream 1: The Techno-Commercial Pipeline**

- **Eligible Branches:** B.Sc. Computer Science, BCA, B.Sc. IT, and M.Sc. (Computer Science/IT) students.
- **The Blueprint:** You will master our SaaS product architectures, translating deep tech into business value for clients.

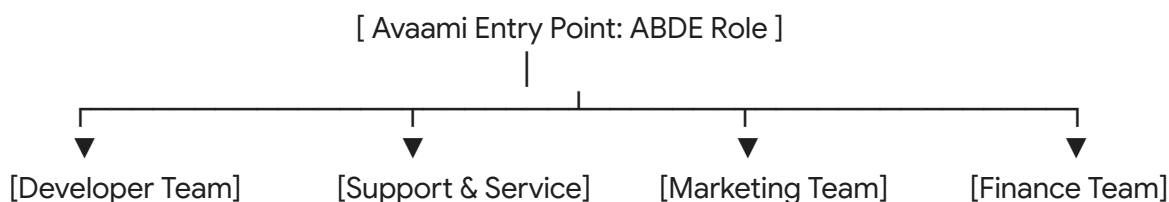

### **Stream 2: The Core Business & Finance Pipeline**

- **Eligible Branches:** BBA and B.Com students.
- **The Blueprint:** You will operate on a fully focused corporate business development matrix with a structured trajectory leading directly into our corporate Finance and Operations divisions.

## The Gateway Architecture: Cross-Functional Rotations

At Avaami, the **Avaami Business Development Executive (ABDE)** role is not a static position—it is your master gateway into the enterprise ecosystem. Avaami assumes absolute responsibility for the career engineering of each intern.

Depending on your core merit, operational performance, and specialized interests during the initial phase, your path will be engineered into one of our elite corporate divisions:

## Target Market Vertical: Your Consulting Landscape

As an ABDE, you will act as a high-level technology consultant to modernizing sectors:

- **The SME & Enterprise Sector:** Retailers, high-output Small Manufacturers, and disruptive Startups.
- **Professional Services:** Elite Chartered Accountants (CAs), Advocates, and Healthcare Professionals (Clinics/Hospitals).
- **Global Trade Networks:** Export and Import corporations requiring premium global branding and localized SaaS infrastructure.

## MNC-Grade Compensation & Fast-Track Trajectory

We believe in rewarding high performance with iron-clad financial structures:

- **Fixed Monthly Guarded CTC: ₹20,000 / Month** (*Breakdown: ₹14,000 Basic Stipend + ₹6,000 Fixed Travel Allowance*).
- **Performance-Linked Incentive: 12% to 20% uncapped commission** on all enterprise revenue generated above the baseline threshold of ₹2,00,000.
- **The Leadership Promotion:** Achieving a cumulative milestone of ₹12,00,000 within a 3-to-6-month window grants you an automatic promotion to **Level 2 Executive Status** with a revised permanent salary package.

## Selection Architecture

Onboarding is highly competitive and purely meritocratic. Candidates will be screened rigorously based on:

1. **10th & 12th Academic Consistency**
2. **Graduation Cumulative Merit**
3. **Inherent Communication Clarity & Tech-Adaptability**

## How to Secure Your District's Seat

If you are an ambitious Arts & Science student ready to step out of the classroom and build a defensible career inside a 10-year Google Cloud Partner ecosystem, your time is now.

**To Register:** Submit your comprehensive Academic Bio-Data and District Reference Sheet to [careers@avaami.com](mailto:careers@avaami.com) with the subject line format: **[ABDE Application - Your District - Your Degree]**.
