

{Unrestricted Rights PLR} One Hour is a Sellable PLR Product

Here are 9 instantly downloadable Live Videos Edited for PLR teaching how to turn 60 minutes of live content into a sellable PLR product.

Charles and Laurel have now created a video guide on the strategy for creating a live PLR product in less than one hour.

It's Solid Strategic Instruction on creating an information product with examples from different kinds of platforms.

Whether you want to teach this to your customer base or you want to make sure your membership site is created correctly....It's a good subject to sell AND it's a good one to increase your knowledge on the subject..

And you won't have to lift a finger to do so. The Harpers have done all of the work.

So...you're getting over the Live video content + all of the marketing materials you need to make it work.

As a bonus, he's throwing in his How to Prepare Your Videos for Resale PLR course with resell rights (including sales materials and source files)
