

Privacy Policy

ФИРМА has developed the ПРИЛА application as a free offering. This SERVICE is made available by ФИРМА at no cost and is intended for use in its present form.

This document outlines our practices concerning the collection, usage, and sharing of personal data for users choosing to engage with our Service.

By using our Service, you agree to the collection and utilization of information in accordance with this Privacy Policy. Any personal data we collect is used strictly to provide and improve the Service. We do not share your information with others except as explained in this Privacy Policy.

The terms used here hold the same meanings as those in our Terms and Conditions, available at ПРИЛА, unless stated otherwise within this policy.

Information Collection and Use

To provide an improved user experience, we may request certain personally identifiable details. The data you provide will be stored securely and used as described in this policy.

Our app integrates third-party tools that may collect data to identify you.

Here's a link to the privacy policy of third-party service providers involved in our app:

Log Data

Whenever you utilize our Service and an issue arises, we collect diagnostic data and information (via third-party tools) from your device, commonly referred to as Log Data. This may include, but is not limited to, your device's IP address, model name, operating system version, app settings, time and date of use, and other relevant statistics.

Cookies

Cookies are small files containing data, often used as unique anonymous identifiers. These are sent to your browser by websites you visit and stored on your device.

Our app does not directly use cookies. However, it may rely on third-party components or libraries that use cookies to gather data and enhance their functionalities. You can choose to allow or reject these cookies, as well as be notified when one is being sent to your device. Refusing cookies may limit access to certain features of our Service.

Service Providers

We may employ third-party organizations and individuals to assist us in the following areas:

- Supporting our Service;
- Operating the Service on our behalf;
- Providing services related to the Service;
- Analyzing how the Service is used.

Please be informed that these third parties may access your Personal Information to perform tasks on our behalf. However, they are strictly prohibited from using or sharing this data for any unrelated purposes.

Security

We value the trust you place in us by sharing your personal data. That's why we strive to apply commercially reasonable measures to protect it. Still, no online transmission method or electronic storage system is 100% secure, and we cannot offer an absolute guarantee of its safety.

Links to External Sites

Our Service may contain links to other websites. If you follow a third-party link, you'll be directed to an external site. Note that these sites are not operated by us. We strongly recommend reviewing the privacy policies of any external websites you visit. We have no responsibility for the content, policies, or practices of any third-party services or websites.

Children's Privacy

Our Service is not designed for individuals under 13 years of age. We do not knowingly gather personal data from children under 13. If we become aware that a child under 13 has shared personal information with us, we will immediately remove it from our records. If you are a parent or guardian and believe your child has provided us with such information, please contact us so we can take appropriate action.

Changes to This Privacy Policy

This Privacy Policy may be revised from time to time. We suggest checking this page periodically for any updates. Any modifications will be published here and take effect immediately upon posting.

This version is effective as of 2025-10-16.
