

玉苒廈之書沉思語錄

A Thought to Ponder from The Urantia Book

Inner Ministry

“The Thought Adjuster is engaged in a constant effort so to spiritualize your mind as to evolve your morontia soul; but you yourself are mostly unconscious of this inner ministry.”

[110:4-2](#)

內在事奉

「思想調整者一直努力不懈地使你的心智靈性化，從而演化出你的靈質性靈魂；但你自身大多不會意識到這一內在事奉。」
