### Who We Are

Mustard Seed Missions is a unique cooperative effort between local churches throughout Venango County and the Department of Human Services. We are not simply another social service organization; those already exist. Nor are we an evangelism arm of our churches, they exist too. What we are is a mixture of both service and evangelism.

By offering real and meaningful help to people, by showing the love of Jesus Christ through deeds not just words, we show to those in need that they have value; that God loves them. If those who receive our physical help decline our spiritual help, we offer them God's blessing and leave the door open; if those who receive our physical help wish to know why followers of Jesus Christ would be willing to help them, we have an answer ready to share, "we love because he first loved us." (1 John 4:19)

### What Mustard Seed Missions Does

- Repair unsafe housing
- Give rides to doctor's appointments (using county vehicles and fuel)
- Mentoring and counseling of individuals and families.

Referrals will be made by, but are not limited to, the Department of Human Services and will include: children, families, the elderly, and others.

Home repairs are made to residences that are owner occupied where other resources are unavailable.

*\* Mustard Seed Mission is a privately funded parachurch organization that is in cooperation with, but is not regulated by, any government agency.*

### How Mustard Seed Missions Helps Fix Problems.

Each time a church offers real help to real people the potential exists to turn that moment into the beginning of a relationship. Our goal is to help construct the support structure that every person and family needs. That structure exist already within our churches, as those of us who have been blessed with a church family already know, thus to connect someone in need with a church helps that person both now and in the long-term.

*Truly I tell you, if you have faith as small as a mustard seed, you can say to this mountain, 'Move from here to there,' and it will move. Nothing will be impossible for you."*
