ENSURE YOU KNOW YOUR COLLEGE BOARD LOG-IN; YOU WILL NOT HAVE ACCESS TO STORED PASSWORDS FOR THIS EXAM...YOU WILL NEED TO KNOW IT.

This is a digital exam. This means you will not have a traditional answer sheet or booklet in any manner. All of your prompts and responses will be done through the Bluebook Application. If you want to see a video that explains the whole Digital Testing process, you can find it [HERE](#)

General Information for AP Testing:

1. If you decide to not take an AP Test, please complete the Exam Refund Request form on the [main page](#). The College Board will keep a \$40 fee for each unused test, but if you decide not to take a test, you can receive a partial refund of \$59. If you paid a late registration fee, no part of that fee will be refunded by the College Board.
2. You must report to the exam room on time. The College Board sets the times for each AP Exam and we have no flexibility. Late arrivals will not be allowed to test.
3. If you finish early, you may NOT go to the next section early, or submit your test early (on paper, or digitally); you must wait for the end of the section/test.
 - a. Exception: If you have a testing accommodation that affords you longer breaks, extra breaks, or additional time, you MAY end your test during the additional time window. For example, if a section of the test is timed at 1 hour and your testing accommodation allows you 1.5 hours, then you may end that section anywhere between 1 hour and 1.5 hour mark. No matter your accommodation, once you end a part of the test (either digitally or on paper), you may NOT return to that part.
