

Doctor and Ditzzy's Science Theater

by Rixizu

Episode 14 - Part 7

The next morning, I woke up to find that Twilight wasn't lying next to me. :

Ditzzy: That's it? Honeymoon over?

She must have been downstairs. I walked out of the room and walked downstairs, Twilight was sitting next to where Fluttershy was laying.

Doctor: Violet instantly became jealous and hateful.

She was reading a book.

"Hey, Twilight, what's going on?"

*Ditzzy: (Violet) Why are you with **her**?*

She turned to me and set the book down. "Oh, good morning, Violet. I was just keeping an eye on Fluttershy. She hasn't moved since last night. And I've been worried."

Doctor: (Twilight) Flies are starting to gather around her.

I walked over to where Fluttershy was laying. I looked down at her and began stroking her mane lightly. She was a very pretty mare.

Doctor: Violet plotted to do something about that.

I began to feel her stir under my hoof. Slowly she opened her eyes. She looked up at me, then at Twilight. "Twilight? What's going on? How did I get here?"

Doctor: Fluttershy visibly stiffened when she realized a complete stranger was caressing her.

I moved away so Twilight could talk. "You were attacked last night, Fluttershy. And Violet," she said, motioning to me, "saved you and brought you here."

Fluttershy looked up at me and tried to stand up. She took a few steps and stumbled. I caught her and helped her back up. "Thank you, Violet. If it wasn't for you, I wouldn't be here." She said, hugging me in a friendly embrace.

Doctor: (Violet) Yeah, sure. Glad to help.

I helped her lay back down so she could rest a bit. "You're welcome, Fluttershy. I'd do it for anypony."

Ditzy: (Violet) Well, anypony except Brandon. Screw that guy.

She simply played her head back and smiled. She had a pretty smile, too. She closed her eyes and went back to sleep.

Ditzy: So what about her animal friends? Are they ok or...

Twilight was already walking back to her room. "I'm going back to bed, Violet. I've been up with Fluttershy for a while."

Ditzy: Twilight is such a dear.

"No problem, Twilight. I'll watch her."

"Thank you, Violet."

"No problem, Twilight."

Doctor: You just said that.

She walked back to the room, leaving me with Fluttershy.

I sat with her for a few minutes until my brother walked into the room.

Doctor: (Violet) Thank Celestia, the mare barely says anything.

"Good morning, brother. What's up?" I asked him.

"Not much, just need to talk to you for a moment." He turned around and walked into the hallway.

Ditzy: (Violet) Okay, thanks. See you later!

"Okay?"

I followed him to the hallway. Then turned to him, "What is it, Sherbert? I'm in the middle of something."

Doctor: (Violet) I was just finishing telling Fluttershy how I hunt animals for fun.

"Oh, nothing. Just want to ask you how your relationship is going." He said with a sarcastic grin on his face.

"Ok, first, fine. Second, how in the name of Celestia did you find out about this?"

Doctor: He already knows about it!

"That's for me to know, and you to never find out, big sis."

Doctor: Thinking was not Violet's strong suit.

I was so mad at him. I could've played him out where he stood.

Ditzy: His organs decorating the floor.

I leaned up to his ear, and whispered, "You're going to tell me, or you will regret keeping this a secret."

Ditzy: (Violet) If you don't tell me, you're going to lose some teeth!

He simply smiled at me. "You may be older, big sis, but I think we both know I would beat you."

I gave him an evil grin. "Is that a challenge?"

Ditzy: It's time to d-d-d-duel!

"Hm, I guess it is. But I know you don't stand a cha-

Ditzy: Violet gave him a swift kick to the groin.

He was cut off by me talking him, and pinning him to the ground with ease. "You were saying?"

Doctor: (Sherbet) You fell right into my hooves. I wanted you to do that!

He gave me an angry look. "That was a cheap shot."

Doctor: It's your fault for being off guard.

Ditzy: Some martial artist.

"Would it make a difference?"

He answered with a strong kick to my stomach, throwing me into a nearby wall.

Doctor: Wait, what?

"Oh. It. Is. On."

Ditzzy: Like Donkey Kong?

I threw myself into him, tackling him again, he rolled over, trying to pin me. We continued this cycle a few times. I threw him off of me, he nearly flew through the window.

Doctor: Their roughhousing usually was to the death.

He got up, panting, as was I.

"Give up yet?" I asked him.

Ditzzy: Um, do you realize that could have killed your brother?

"Nope, you?"

"Nope."

Doctor: Violet pulled out a knife and Sherbert broke a nearby chair leg and prepared to bludgeon his sister with it.

I threw myself at him again but was stopped mid-air.

All: Za warudo!

"What the hay?"

Ditzzy: It looks like gravity broke again.

My brother looked at me with a smirk on his face. "I swear I'm not doing this."

"I did." I heard a voice from behind me.

All: Nightmare Moon!?

It was Twilight.

Ditzzy: And she sure was pissed.

She threw me to the wall and held me there by my wings with her magic. I tried to move but couldn't. I gave up, it was useless trying to escape.

Doctor: (Violet) Um, I can explain.

She picked up my brother and threw him against the opposite wall. Pinning him by his hooves.

"What's with all the commotion, why are you two fighting?" She asked, anger in her voice.

Ditzzy: (Violet) Uh...He started it!

I sighed, "Somehow he knows about... us. I was trying to get him to tell me how he knows."

Ditzzy: (Violet) By murdering him!

She turned to him, anger still in her voice. "Tell me how you know, Sherbert, or you will be on your own from now on."

Doctor: (Twilight) I will throw you to the zombies right now if you don't answer.

He put on his usual smirk. "You think that you can beat me?"

All: Yes.

Doctor: Do you realize the situation you're currently in?

"Obviously, you're pinned to the wall, and you can't move."

Doctor: (Sherbet) Uh, er...only because I let you.

He struggled for a moment under her grip. "Uh... Good point. Fine, I'll tell you. Soon after I started to stay here, Vinyl and Octavia told me that you and my sister were together.

Ditzy: So much for trusting them.

But she was drunk so I didn't believe her.

Ditzy: (Twilight) I was saving that gin!

But I decided to ask her myself. So I confronted her and asked her, but she denied it. But I could tell she was lying because she was blushing the whole time. So now, I know you're secret."

Ditzy: (Twilight) Looks like we'll have to kill him then to keep our secret.

Twilight seemed to relax a bit. "So it was Vinyl and Octavia. Well we'll need to confront them to find the truth

Ditzy: I don't get it. Why it is it such a big deal?

- wait, did you say she was drunk?"

"Yeah, why?"

"Because there is no alcohol in this place, so that means they must have gotten it from the outside."

Ditzy: Either that or Spike is secretly hoarding alcohol.

"Well, I guess we need to see what they've been doing."

We walked to their room, only to find that the door was locked. Twilight knocked on the door.

Ditzy: With Sherbert.

"Vinyl, Octavia? We need to talk to you."

Doctor: (Twilight) You've been drinking without us!

There was no answer, and there was no noise coming from the inside. "Okay everypony, stand back." Twilight warned.

We did as she said just before she ripped the door open with her magic.

Doctor: Couldn't you just teleport in?

What we saw was surprising.

Ditzy: Pinkie Pie, Vinyl, Octavia, and several others were having a rocking party.

They weren't in the room, and worse, the window was wide open.

Doctor: Ah, the old using bed sheets to escape trick.

"I'll go search for them, I have a feeling I know where they went." I suggested. I was confident I knew where they went.

Doctor: The zombie apocalypse is happening, and they're out there looting liquor stores.

"Go," Twilight said. "But be careful." She planted a soft kiss on my cheek. I blushed a bit.

"Awww, you two are together." I heard my brother say when I turned around.

Ditzy: (Twilight) Stuff it and go to your room. I don't want to hear another peep out of you!

Just before I took off, I grabbed my bow and prepared to

Ditzy: To shoot Sherbert.

go. Just before I did I heard a loud slap from behind me. I turned to find my brother holding his cheek, Twilight clearly slapped him.

Ditzy: Can't say he didn't deserve that.

Doctor: (Nods)

"Never mention this to anypony." She said to him. I couldn't help but chuckle.

All: Why!? Why is this such a big secret?!

"Ok guys, I'll be back when I find them." I said, interrupting them.

"Ok, be careful." They both said to me.

"I will, don't worry."

I turned toward the window and took off. I was going to find these two, and the truth with them.

Ditzzy: I knew there was something strange about them. They must have some evil plot!

Author's Note:

Overdue chapter. I've been busy. Also had a little attempt of humor.

Doctor: (Whinces)

Ditzzy: Attempted being the key word here.

Not sure if it's funny. Let me know what you think. Oh, by the way, I still need more characters, so if you want an oc in here, let me know and I'll put them in here.

Doctor: Why use OCs when you can just use ponies that actually live in Ponyville?

And if you want to be shipped with anypony, let me know as well, Twilight, Pinkie, Fluttershy, Vinyl and Octavia are all taken though.

All: Dear Celestia!

Ditzzy: Why?! Why does this story need 3+ romances?

Doctor: Why not just forget the zombies and write a romance instead? They aren't working together!
