

Mrs. Sherman is traveling to some new (virtual) places today! Make sure to watch all of the lesson videos to see where she is!

Reading	<ul style="list-style-type: none"> <li>• Today is dictation! Get your whiteboard and marker or paper and pencil and your purple SIPPS book. Watch this new lesson and read along with Mrs. Sherman <a href="#">Lesson 23 Part 2</a></li> <li>• Practice your sounds <a href="#">Sounds Review</a></li> <li>• Practice your sight words <a href="#">Sight Words Review</a></li> <li>• Read with an adult for 20 minutes.</li> <li>• Spend 30 minutes working on Lexia, Myon or Smartyants. <a href="#">Technology Links</a></li> </ul>
Language Arts / Science/ Social Studies	<ul style="list-style-type: none"> <li>• In today's lesson we will learn about what plants need to survive.</li> <li>• <a href="#">How do plants and trees grow</a></li> <li>• Journal: Draw a picture of the basic things plants need to survive: water, sunlight, air, and soil. Write three sentences sharing what happens if a plant gets all of its needs and what happens if it doesn't get what it needs.</li> <li>• Optional Activity: If you have some seeds at home you can try planting it in a cup and investigate on your own.</li> </ul>
Math	<ul style="list-style-type: none"> <li>• Watch these videos to learn about measuring and then complete the assignments in Think Central:</li> <li>• <a href="#">Comparing Length Video</a></li> <li>• <a href="#">Measuring Video</a></li> <li>• <a href="#">Measure Using Paperclips</a></li> <li>• Complete the "<b>Order by Length</b>" and "<b>Measuring Length</b>" assignments in <b>Think Central</b> <ol style="list-style-type: none"> <li>1. Go to the Roosevelt <a href="#">Technology Links</a> page</li> <li>2. Click on "Think Central"</li> <li>3. Log in using your Username and Password:  <b>Username:</b> your lunch number @sausdlearns.net  <b>Password:</b> your birthday month, day, and year</li> <li>4. Click on "Things To Do"</li> <li>5. Select "<b>Order by Length</b>"</li> </ol> </li> </ul>
