

OAKLAND CRAIG PUBLIC SCHOOLS

Oakland-Craig Public Schools would like to welcome Mrs. Korri Veskerna to our elementary teaching staff. At this time we are planning to have Mrs. Veskerna teach 6th grade alongside Mr. Meyer. You likely know Mrs. Veskerna as she taught 3rd grade at Oakland-Craig for two years.

Mrs. Korri Veskerna comes to us most recently from Johnson Crossing in Fremont where she taught 6th grade math. She also has experience teaching 2nd grade as well as English Language Learners. Mrs. Veskerna attended Midland University for her undergraduate coursework, receiving a Bachelor's Degree in Elementary Education and an endorsement for Early Childhood Education. She also holds a Masters Degree in Curriculum and Instruction from Doane University. Korri is also working toward the completion of a Masters in School Counseling.

Mrs. Veskerna comes highly recommended. I've included some of the comments that her past co-workers and supervisors have shared:

- Mrs. Veskerna is very trustworthy, hard-working, compassionate, and extremely dedicated to the teaching profession and her students. She has brought a dynamic personality and enthusiasm for teaching to our school team.
- Korri demonstrates an understanding of the importance of building relationships with students, families, and faculty. The bottom line is, she believes open communication is the key to success.
- Mrs. Veskerna is an effective teacher with excellent classroom management. She utilizes her resources and delivers content in a way that students understand. Her classroom management is strong because she develops strong relationships with students and sets clear expectations.

Mrs. Korri Veskerna resides in Oakland with her husband Jantzen and their daughters Jerzey (4) and Georgia (1). If you see the Veskerna family enjoying the outdoors or out and about in the community, please help to welcome Korri back to our Oakland-Craig family!
