Dear Friends of South High Soccer,

As part of the vibrant, diverse, and all-inclusive community at Minneapolis South High School, South Soccer is proud to focus on equity, where every student is eligible to play regardless of ability to pay. South Soccer receives funding for 60 percent of its soccer program from the school district, but the remaining budget must be gathered through fundraising. A fully funded program enables South to field enough teams to allow *any* incoming 9th and 10th graders to play on a team.

On Saturday, September 30th, Minneapolis South High School will host **Super Soccer Saturday**, our annual fundraising event where all the South High School soccer teams play DeLaSalle High School. This event is a great opportunity to show school spirit while raising funds for equipment, uniforms, and coaches for the six men's and women's soccer teams at South High.

We are so grateful for your past support of our Super Saturday fundraiser. Would you please consider donating a gift card or item to the raffle portion of our event? This year we are also seeking official sponsors for each game. In return for a \$250 donation to the South High Foundation and the Soccer Boosters, sponsors will receive a full-page ad in the game program opposite the rosters for their game.

Your donation will be acknowledged on all digital sites, the Super Soccer Saturday printed program, on event signage, and in announcements throughout the day long event. Please provide a monetary value of the donated items, as the amount is tax-deductible. We are a nonprofit 501(c) 3 organization (Tax ID 41-1506266) established through the Friends of South High Foundation.

Thanks so much for your support of South High Soccer!
