Life For Rent Chords - Dido P1)78K.CHORDU=Dom+C-2=Lam.PIANO=C+3 C+3 BBB

[Verse]
I [**Am**]haven't really ever found a place that I call [**F**]home
I [**Am**]never stick around quite long enough to [**F**]make it
I a[**Am**]pologise that once again I'm not in [**F**]love
But it's not as if I [**Am**]mind that your heart ain't exactly [**F**]breaking
It's just a [**Dm**]thought, only a [**G7**]thought

[Chorus]
But if my [**C**]life_[**G**]__ is for [**F**]rent
and I [**C**]don't [**G**]learn to [**F**]buy [**G**]
Well I de[**C**]serve nothing [**G**]more than I [**F**]get [**G**]
'Cos nothing I [**C**]have_[**G**]__ is truly [**F**]mine
[Verse]
I've [**Am**]always thought that I would love to live by the [**F**]sea
To [**Am**]travel the world alone and live more [**F**]simply
I have [**Am**]no idea what's happened to that [**F**]dream
'Cos there's [**Am**]really nothing left here to [**F**]stop me
It's just a [**Dm**]thought, only a [**G7**]thought

[Chorus]

But if my [**C**]life_[**G**]__ is for [**F**]rent
and I [**C**]don't [**G**]learn to [**F**]buy [**G**]
Well I de[**C**]serve nothing [**G**]more than I [**F**]get [**G**]
'Cos nothing I [**C**]have_[**G**]__ is truly [**F**]mine

But if my [**C**]life_[**G**]__ is for [**F**]rent
and I [**C**]don't [**G**]learn to [**F**]buy [**G**]
Well I de[**C**]serve nothing [**G**]more than I [**F**]get [**G**]
'Cos nothing I [**C**]have_[**G**]__ is truly [**F**]mine

[Bridge]

While my [**C**]heart is a [**G**]shield and I [**Dm**]won't let it [**G**]down
While I am [**C**]so afraid to [**G**]fail so I [**Dm**]won't even [**G**]try
Well how can [**Dm**]I say I'm a[**G7**]live?

[Chorus]

But if my [**C**]life_[**G**]__ is for [**F**]rent
and I [**C**]don't [**G**]learn to [**F**]buy [**G**]
Well I de[**C**]serve nothing [**G**]more than I [**F**]get [**G**]
'Cos nothing I [**C**]have_[**G**]__ is truly [**F**]mine

If my [**C**]life_[**G**]__ is for [**F**]rent
and I [**C**]don't [**G**]learn to [**F**]buy [**G**]
Well I de[**C**]serve nothing [**G**]more than I [**F**]get [**G**]
'Cos nothing I [**C**]have_[**G**]__ is truly [**F**]mine
Nothing I [**C**]have_[**G**]__ is truly [**F**]mineNothing I [**C**]have_[**G**]__ is truly [**F**]mine

'Cos nothing I [**C**]have_[**G**]__ is truly [**C**]mine
