

## Pre-healing journey timeline

October 2016: God calls us to missions (Wycliffe)

Spring 2017: quit Symptometry (like a therapy health program) as I had begun to strongly feel the LORD's jealousy for Him to be the only recipient of the glory for my physical healing

Summer 2017: God led me to the name Raphael for my third child with whom I was pregnant. Raphael means God has healed. Although I had no idea what that meant yet, God was preparing us and we didn't even know it. We now call him our prophecy baby.

January 2017-July 2018: Apply to, join, and train with Wycliffe

December 2018: We hear about JGLM from a lady in California, while on a crosscountry road trip developing our partnership team with Wycliffe.

July 2019: We meet with a couple over breakfast who send us our first JGLM videos (DHT) to watch.
