Subject: Sponsorship Opportunity – Elevate River View Boys State Champion Soccer Program

The River View Boys Soccer Team is writing to you today with immense pride and an exciting vision for the future. As you may know, our team recently achieved an extraordinary feat, capturing the Ohio Boys State Championship! This historic victory is a testament to the dedication, hard work, and unwavering spirit of our student-athletes and coaching staff.

This championship is not just a triumph on the field; it's a source of inspiration for our entire community, showcasing what can be achieved through perseverance and teamwork. To build upon this incredible momentum and ensure the continued excellence and growth of our program, we are reaching out to local businesses and community leaders like yourself to secure vital support.

To further elevate our program and provide our champions with the resources they deserve, we are seeking to raise funds for several crucial initiatives:

- **New Away Uniforms:** Our current away uniforms were worn during our historic State Championship victory and were subsequently given to the boys as a cherished memento of their incredible achievement. Therefore, we are in need of new away uniforms that will instill greater pride and professionalism as we continue to compete at a high level.
- **Practice and Game Balls:** Throughout the tournament season, we had to use our current game balls for daily practice sessions because our practice balls had deteriorated beyond use. As a result, the wear and tear on our remaining game balls has left us without an adequate supply of match-quality equipment moving into the next season. High-quality equipment is fundamental to effective training and competitive play. We need a refreshed supply of durable practice and game balls to maintain our training standards.
- **"Wall of Champions":** To honor our team's historic achievement and inspire future generations, we plan to erect a prominent "Wall of Champions" at our facility, celebrating past and present successes.
- **State Champions Signage:** Permanent signage recognizing our State Championship will proudly display our accomplishment and serve as a constant reminder of what our team has achieved.
- **Locker Room and Restroom Fund:** Looking to the future, our most ambitious long-term goal is to establish a dedicated fund for the construction of a much-needed locker room and restrooms at our home field. This facility would provide essential amenities, enhance team cohesion, and offer a professional environment for our athletes. Crucially, the addition of proper restrooms will significantly improve the game-day experience for our loyal fans, eliminating the current reliance on portajohns.

Your sponsorship would not only directly impact the quality of our soccer program and the experience of our student-athletes but also demonstrate your commitment to youth development and community pride. We believe that investing in our youth and their athletic pursuits yields significant returns in character development, leadership skills, and community spirit. With your support, we can continue to foster a winning tradition both on and off the field for the River View Boys Soccer Team.

Please consider continuing to be a proud sponsor of Black Bear Soccer and donating \$300 for the 2025 season with the option to renew your sponsorship annually for \$250. We would be delighted to discuss this opportunity and others further with you at your convenience if you wish. Please feel free to contact Michelle Beitzel michelle.beitzel@rvbears.org to learn more about our vision and how your contribution can make a lasting difference.
