Juliana is part of the Class of 2025 at Lely high school. She is in activities such as Model UN, SSEF, and Army JROTC. She is also the president of her class. She is a part of a scientific research project revolving around the environment. Overall, she hopes to become a role model and be successful in aiding people around the world. As time goes by, she hopes to have accomplished a lot by traveling and helping solve global problems and have helped a good amount of people, especially with her passion for the environment and having an engineering-like mind.
