

TAWOG'S NON-PHYSICAL INTERACTIONS (OR LACK THEREOF)

By Moofie!!!

This is mainly going over ghosts and such in the main shows, not stuff like touching clouds. I will also not be counting basic objects a ghost is touching.

Examples that provide evidence with physical touch to a spirit will have a **(YES)**. Otherwise it will have a **(NO)**.

Note that anything beyond S7A was made after the blog.

Season 2:

- Halloween:
 - Gumball, even when under the small effects of the potion, is offered some ectoplasm and it phases right through his hand. **(NO)**
- The Words:
 - Darwin and Carrie rub their heads together. **(YES)**
- The Pony:
 - Carrie holds Gumball by the shirt, while her grandma irritability starts scratching him. **(YES, ironically not really because of Carrie)**

Season 3:

- The Move:
 - Carrie slaps Tobias. **(YES)**
- The Shell:
 - Gumball is able to hold onto and open up the tiny spirit form of Penny. **(YES)**
- The Mirror:
 - Carrie has to possess Gumball to slap him, she's unable to hug her human father. **(NO)**
- The Saint:
 - Carrie is capable of interacting with and hugging Alan. **(YES)**

Season 4:

- The Comic:

- Nicole is able to punch the shadow creature. Though we have no idea if this guy is actually a specter that phases through objects. **(YES?)**
- The Scam:
 - Gumball and Darwin both try to high-five Carrie, it doesn't work. **(NO)**
 - Later on though, Gumball pushes Carrie out of the way. **(YES)**
 - And if you want to count GARGAROTH THE DEVOURER, he wraps his tentacles(?) around Carrie. **(YES, I'm regretting this format)**

Season 5:

- The Matchmaker:
 - Gumball tries to hug Carrie, but fails. **(NO)**
 - Gumball wraps his arm around Carrie to cover her eyes. **(YES)**
 - Carrie gives Gumball a gentle slap, she was then going to slap him harder. **(YES)**
 - Gumball gives Carrie a nudge in the right direction. **(YES)**
 - Darwin and Carrie make out. **(YES)**
- The Console:
 - Carrie had to possess the Console to slap them. **(NO)**
- The Best:
 - Gumball kisses Carrie on Darwin's behalf, she then presumably slaps him. **(YES)**
- The Deal:
 - Carrie holds Darwin's hands in marriage. **(YES)**

Season 6:

- The Rival:
 - Gumball and Darwin both grab their souls from going to hell and heaven respectively. **(YES)**
- The Ghouls:
 - Carrie holds Gumball and Darwin to help teleport them throughout. **(YES)**
 - Rocky pats the shadow figure on the back. **(YES)**
- The Drama:
 - Darwin and Carrie are seen holding each other's bodies and hands throughout the episode. **(YES)**
 - Gumball phases through Azrael. **(NO)**

Season 7A:

- The Entrance:
 - Carrie has to pretend to ride Penny. **(NO)**
 - Darwin is capable of imagining Carrie throwing him up into the air (though like the other times Darwin's imagined Carrie holding him this should be considered dubious especially considering what episode that follows afterwards).
- The Letter:
 - The whole point of the episode is that Darwin cannot touch Carrie, she has to possess Gumball to kiss him. **(NO)**

- The Portrait:
 - Nicole threatens to take the kids' souls. You can interpret this either way as just a threat Nicole makes or with the idea in mind that she hasn't really lied with threats.

Season 7B:

- The Summoning:
 - Darwin dunks Gumball's soul back into his body. **(YES)**
- The Unfollow:
 - Gumball states that Sarah has bit their girlfriends, which are Penny and Carrie. **(YES)**
