

On-Site Child Care for the University 2025 – 2026 Monthly Fee Schedule

Stanford has six on-site child care programs. There are five centers on the Stanford campus and one at the Redwood City campus. The WorkLife Office administers the centralized application process for the six programs. Apply as soon as you know you may need child care, as each center has a wait time for enrollment. Access the application on the WorkLife Office web site: worklife.stanford.edu. Please note tuition typically increases each fall.
