

## Stonepark Intermediate School - Voyage à Québec/Ottawa 2026 Code of Conduct

Chers parents, gardien(ne)s, et étudiant(e)s,

In preparation for our trip to Ottawa and Québec City, our teacher-chaperone team wishes to set out expectations for participating students to ensure they will work diligently toward their trip in a positive manner and to ensure they are well advised of our expectations.

Therefore, students are expected to:

1. Maintain consistent attendance (***no more than 10% of instructional days or 10 days absent by the time of departure***) and strong effort academically while being a good Stonepark citizen.
2. If suspended at any point, for any reason, (***after the date of first payment Oct.10 and prior to the trip departure***), the student may not participate in the trip. This decision will be at the discretion of the Stonepark administration.
3. Act as positive representatives of the school, their families, and all of PEI throughout the trip, promoting Stonepark's six character traits.
4. Should problems arise while on the trip, the student may be sent home at parents' expense.

If any of these expectations are not met, the appropriate arrangements and/or actions will be taken. We look forward to your support and encouragement as we anticipate a memorable trip. If for any reason your child is not able to participate, including behavioural issues, the refund of any payments made will be at the discretion of Target Tours.

Thank you kindly for your support,  
Your 2026 Ottawa/Québec team at Stonepark

Please sign below to indicate that both students and parents/guardians accept these conditions and expectations. Please return to your homeroom teacher.
