

Parental Pledge of Support

I realize that building strong relationships and having effective communication with my child's supervisor, in order to help in the training of my child, is as much my responsibility as it is the school's. I will pray for the staff and program; cooperate with the staff in discipline and accept their judgment in such matters; lay spiritual foundation through Godly example in our home; support the school's character training; follow through with any work, assignments, or slips to be signed; see that my child arrives at school on time; send written excuses for absence or tardiness; cooperate in training my child to respect school property and pay for abuse of the same; attend all parent functions; and assist in positively publicizing the school and its program among friends.

I further recognize that, from time to time, children take issue with actions with which they do not agree and are prone to criticize statements out of context. Since this is normal for children, I pledge that, should such occur, I will support the school personnel and contact them for further details when I have questions concerning an incident.

I realize it is a privilege and not a right for my child to attend Valley Harvest Christian School. It is my intention to abide by the decisions of and support the discipline of the school administration.
