諦め(あきらめ)かけたように 陰る(かげる)月  
笑った顔して 後ろ手(うしろで)にナイフ握る(にぎ  
る)  
過ぎる過ぎる日々は 何か満(み)たされなくて

世間体(せけんてい) 社会性(しゃかいせい) ここから  
は一人きり  
互換性(ごかんせい) 独自性 それからの境界線

ああ 微睡(まどろ)む水平(すいへい)は脆く(もろく)  
ある  
薄闇(うすやみ)空に落ちていく放物線

これからも 無意識はノーマライズ  
何も無いような日々 回る月

気付いたフリして それなりの蛇行をして

続く続く道は 今日も見えないままでいい

それからの 日常(にちじょう)をノーマライズ  
気付けば何でもある そんな日々を  
求めた(もとめた)フリして 目を逸らす(そらす)日常  
はまだ  
続く続くずっと 今日これから先も

My cruel unconscious is normalize  
Like giving up, the moon darkens  
I grasp a knife behind my back with a smiling  
face

The ever passing days isn't satisfied by  
something

Decency, socializing, after this I'm on my own

Compatibility, originality, the boundary line  
after that

Ah, the dozing horizon is brittle

Parabolas fall in the dim sky

After this my unconscious is normalize  
The empty like days, the moon revolves  
around

Pretending to notice, I'm meandering in my  
own way

The ever continuing road can't even see  
today, and that's okay

After that, ordinary is normalize  
If I notice, I have everything. Those days  
Pretending I searched, I still turn my eyes  
from ordinary  
Continuing ever continuing, today and from  
here on
