

Privacy Policy for Silent Maze

Effective Date: 10/03/2024

This Privacy Policy outlines the collection, use, and disclosure of personal information provided by users of Silent Maze (“the Game”). The Game is owned and operated by Synthify Inc (“we”, “us”, or “our”). By accessing or using the Game, you agree to the terms of this Privacy Policy.

1. Information Collection

(a) Information Collected Automatically: When you use the Game, we automatically collect certain information, including:

- **Device Information:** We collect information about the mobile device you use to access the Game, including hardware models, operating system versions, unique device identifiers, and mobile network information.
- **Usage Information:** We collect information about your interaction with the Game, such as how you use it (features used, pages visited), the times and dates of access, and game progress.
- **Location Information:** We may collect information about the location of your device if you use our location-based features.
- **Cookies and Similar Technologies:** We use cookies and other similar technologies to collect information about your use of the Game, including your IP address, browser type, internet service provider, referring/exit pages, and session times.

2. Sharing of Information

(c) With advertising partners to display advertisements to our users.

(d) With analytics partners to better understand the demographics of our users.

- Google Admob
- Google Analytics

4. Advertising and Analytics Services Provided by Others

We may allow third parties to provide analytics services and serve advertisements on our behalf across the web and in mobile applications. These entities may use cookies, web beacons, device identifiers, and other technologies to collect information about your use of the Game and other websites and applications, including your IP address, web browser, mobile network information, pages viewed, time spent on pages or in apps, links clicked, and conversion information.

This information may be used by Synthify and others to, among other things, analyze and track data, determine the popularity of certain content, deliver advertising and content targeted to your interests on our services and other websites, and better understand your online activity.

5. Security

We take reasonable measures to help protect information about you from loss, theft, misuse and unauthorized access, disclosure, alteration, and destruction.

6. Your Choice

- Location Information: You can choose whether or not to allow the Game to collect and use real-time information about your device's location through the device's privacy settings.

7. Subscription Services
