Walton Robotics Regional *FIRST*® *LEGO*® League Qualifier

Tournament Date, Time, Location, and Contact

Date: December 6, 2025

Time: 8:00 AM – 4:30 PM

Location: Walton High School Dining Hall, 1590 Bill Murdock Rd, Marietta, GA 30062

Tournament Contact: Bobby Guiendon fltournamentdirector@waltonrobotics.org

Basic Schedule (Not Finalized)

Time	Activity
8:00 AM	Team Check-in & Pits Open
8:30 AM	Coaches Meeting
8:50 AM	Opening Ceremony
9:15 AM	Judging and Matches
10:45 AM	Break
11:00 AM	Judging and Matches resume
12:30 PM	Lunch
1:00 PM	Matches Resume
2:15 PM	Pit Break Down, Clean Up and Deliberations
2:30 PM	Lineup
2:45 PM	Awards Ceremony

Directions

Walton High School is located north of I-285, east of I-75 and west of GA400. Turn into the bus entrance, which is the entrance closest to the Bill Murdock Rd and Pines Rd intersection. **There will be an unloading zone marked near the tournament entrance and then after you have unloaded you will park in the parking lot behind the school in the bus lanes.** You will enter the tournament via the doors to the Dining Hall as illustrated in the picture below. **It is important that all attendees enter through the external Dining Hall doors as illustrated.** The ACT is taking place at Walton this same morning and it is imperative that no one interferes with testing. Please pass this information on to your parents and any other spectators that may want to attend. Teams will be disqualified for being outside the designated areas inside the school. Thank you for your understanding the importance of this.

Team Information Packet 2025

FLL Event Entrance:

FLL Loading Zone:

Team Information Packet 2025

Team Information Packet 2025

Coming South on I-75 from I-575 and Kennesaw:

Exit I-75 South at N 120 Loop (Exit 265)

Turn left at bottom of exit ramp onto the 120 Loop

Follow the Loop to the Roswell/Marietta Exit (first actual exit ramp you see)

Turn left onto Hwy. 120

Follow Hwy. 120 to Providence Road (after Old Canton road stoplight)

Make a left onto Providence Road

At first stop sign, turn left onto Pine Road

Next stop sign, turn left onto Bill Murdock Road

Follow FLL signs to the parking area.

Coming North on I-75 from Smyrna and I-285:

Exit I-75 North at S 120 Loop (Exit 263)

Turn right at end of exit ramp onto the 120 Loop

Follow the Loop to the Roswell/Marietta Exit (first actual exit ramp you see)

Turn right onto Hwy. 120

Follow Hwy. 120 to Providence Road (after Old Canton road stoplight)

Make a left onto Providence Road

At first stop sign, turn left onto Pine Road

Next stop sign, turn left onto Bill Murdock Road

Follow FLL signs to the parking area.

From GA400 and I-285 area:

Go west on I-285 Exit I-285 at Riverside Drive (Exit 24)

Go north on Riverside Drive. Follow many curves on Riverside Drive until the stoplight at Johnson Ferry Road (large intersection at bottom of twisty hill)

Turn left onto Johnson Ferry Road heading north

Turn right (west) onto Holcomb Bridge Road

Turn left onto Highway 9 (Chick-fil-A is on your right)

In downtown Roswell, turn right onto Hwy. 120/Marietta Highway (at the Roswell Square)

Follow Hwy 120 into Cobb County to Johnson Ferry Road

Continue past Johnson Ferry Road to Providence Road (next stoplight)

Turn right onto Providence Road (at Advanced Auto Parts and Fifth Third Bank)

Turn right at first stop sign onto Pine Road

Turn left at next stop sign onto Bill Murdock Road

Follow FLL signs to the parking area.

Food

Concessions will be available in the Dining Hall where teams can buy breakfast and lunch. The concession menu will likely be as follows:

Menu:

- Breakfast
 - Donuts
 - Fruit
 - Coffee/tea/water
- Lunch (Please Note this is scheduled for 30 minutes)
 - Pizza (Order forms coming soon!)
- Drinks
 - Water
 - Soda
 - Gatorade

Lunch Preorders:

If you would like to pre-order lunches for your FLL team, we will be sending out a google order form soon!

A variety of nearby restaurants (within 2-3 miles from venue) are listed below for your convenience. Please be aware that lunch is only scheduled for 30 minutes. Please prepare accordingly.

Food is permitted only in the **Dining Hall and the adjacent outside courtyard.**

Teams can bring their own food and drinks as well as coolers.

Dress

Dress for all teams is casual. In fact, we encourage your team to adopt a fun and unique team identity which allows others to understand something about your team, your engineering experience, or your project. Think smart marketing! Remember to **HAVE FUN!**

Team Size

The maximum number of children on your team is 10. Please email the Tournament director to let them know how many team members are on your team as soon as possible. All members of your team must be between the ages of 9 and 14 years. For the upper limit, no student can be older than 14 years of age as of January 1 of the Challenge year. Your team will need to decide what two adults will be spending the day with the students. NOTE: At least one adult Coach is required to supervise the team at all times during the tournament. Please remember to tell us how many members are on your team.

Team Check-in

Team Check-in will be from 8:00 AM – 8:30 AM.

Coaches must submit the following for their teams to the Team Check-in Volunteers:

- **Team Roster:** Download your team roster from the Team Registration System, print a copy, and bring it to Team Check-in. Staple additional [FIRST® Consent and Release Forms](#) to the Team Roster for any team member or coach who does not have an electronic consent form on file. A *FIRST* Consent form is required for every team member, coach, and mentor who will be with the team during the competition day.
- **Team Information Sheet:** Please bring two completed copies of the [Team Information Sheet](#). Your team will deliver a copy of your Team Information Sheet to your judging panel when you attend your judging session. Judges use the sheets to learn about the teams, find out about their strengths, and use the information in the judge deliberation process. As teams fill out their Team Information Sheet they are highly encouraged to include an accurate team photo, ideally with members wearing their team shirts/outfits. Judges see a lot of teams throughout the day. An accurate photo allows judges to easily associate the unique qualities a team presents alongside a visual reminder of the team.

Your team will receive the following at Team Registration:

- **Team Packet:** Your team will be provided information about the tournament day, including a competition schedule, judging schedule, and Pit map.

Pit Area

The Pit is where your team will spend most of the time. This is where you will work on your robot and programming. This is also the area where you can enjoy downtime with your team, get to know other teams, see their robots, and find out about their Projects. Your team will have access to:

- One cafeteria table
- At least 8 chairs
- Electricity – Bring an extension cord and a power strip, as your access point will consist of a single outlet/plug. A power strip will allow you to charge your robot and your laptop at the same time.

We recommend that you bring the following for your team to have in the Pit Area:

- A bin or large bags (like trash bags) to store personal belongings, like coats, under your table
- Your robot and all your robot supplies (attachments and additional building pieces)
- Your laptop computer and power cord
- An extension cord and power strip
- A small box or small bin to carry your robot and attachments to and from the competition area. No carts allowed this year.
- A team display board
- A team banner or other team sign – to hang from your pit table and carry for Opening & Closing Ceremonies (Optional)
- Games (there will be long periods of downtime – bring some small games that the team can play when things are slow)
- Items to share with other teams (optional) – At many tournaments, teams bring something little that says something about their team that they can share with other teams (ex. A team might pass out Kiss candies with a note to remind teams about the K.I.S.S. principle, “Keep It Simple, Silly.”) Or whatever else you would like to share that says something about your team, your school, your project, your robot, etc.

Some Pit Area Rules for you to keep in mind:

- Coaches should NEVER work on the robot, the attachments or the robot programming. In fact, coaches should refrain from handling the robot, attachments or the computer – save your internet surfing for another time. **NOTE: If your team encounters technical difficulty, let someone at the tournament know so that the officials at the event understand why a coach might need to handle a robot or work on the computer.**
- **There will not be available WIFI on the day of the event due to ACT testing. The cellular connectivity at the school is spotty as well. Please make sure you download all important needed information prior to the event.**
- Remember to be Gracious Professionals when using the practice table:
 - Be mindful of your time and other teams’ needs (In the event that another team has a crisis with their robot - robot repairs, loss of firmware, etc.- please be courteous and allow a team facing a crisis to use your practice time).
 - Reset the practice field for the next team

Team Information Packet 2025

- Make sure you check that you do not take a mission model from the practice field
- Offer help to teams that may need it!

Coaches' Meeting

The Coaches' Meeting will be held in the **Competition Area at 8:30 AM**. At least one team coach should attend this meeting. Make sure that another coach or mentor is assisting the team to set up their Pit area during this time. At this meeting, your team's coach will have the opportunity to:

- Meet the Tournament Director
- Meet the Head Referee
- Understand the flow pattern through the competition area
- Ask judging-related questions
- Ask robot game questions
- Ask any other tournament-related questions

Judging

Team judging begins at 9:15 AM. Each team will be judged within a single judging session. Your team will spend thirty (30) minutes with your assigned judging pod.

Only team members and two (2) coaches will be allowed into the judging rooms. One team coach will be permitted to videotape the judging session; however, that adult should remain in designated areas. Nobody from the team should stand behind the judges. Coaches should be silent observers of the judging process and refrain from influencing the session in any way. If you choose to use a PowerPoint presentation, check what AV equipment will be available for the teams in the judging pod. The judging schedule is tight. Please be on time for your judging session.

All cell phones (team members & coaches) must be silenced during the judging sessions.

Judging Session Flowchart

Teams should demonstrate **FIRST® Core Values** in everything they do. Judges will be excited to see how teams used **teamwork, discovery, inclusion, innovation, impact, and fun** throughout their Innovation Project and Robot Design work.

Judging is a time to celebrate a team's accomplishments, but it is normal to feel nervous. Judges will do their best to encourage teams during the session. Teams should not leave anything in the judging room when they leave.

Opening Ceremony

Join us for the Opening Ceremony at **8:50 AM!** This is a fun celebration to open the tournament. The ceremony will include the introduction of your team so please have your team together and ready to stand when their team name is called.

Spectators

The Robot Game is free and open to the public. The Robot Games will happen in the Dining Hall at Walton High School. The judging sessions are closed to the public and will be held in classrooms. Thank you for respecting this policy. Please remember to respect the Team Only areas – the competition floor area (the area where teams queue and compete) and the judging areas.

Please also remember that the ACT is being given at the school during our event. Please let your team, friends and family know that they are allowed in the designated areas on the first floor only. If anyone is found beyond the first floor area, their team is subject to disqualification. This will be strictly enforced. Please look for the signs directing you to the tournament.

Robot Game

Your team is responsible for knowing and understanding the *FIRST*® LEGO® League Robot Game. All of the game documents can be found on the *FIRST* LEGO League website.

You are required to know the following for the robot competition: Field Setup, Rules, Missions, and Robot Game Updates.

Housekeeping: Please keep the Pit area clean and follow the Practice Table schedule. Due to the size of the Home/ Landing area, no carts or bins will be allowed near the game tables.

Coaches: Two coaches will be permitted to join the team on the competition floor, but you must stay behind the line with the team and refrain from actively directing the team during the game. Please do not touch or handle the robot or attachments during this time. Consider yourselves spectators with the best spot in the house to watch the game.

Your team will participate 5 times at the competition tables. Only the team's best score of the three matches counts toward awards and advancement. Ties are broken using second and third best scores

NOTE: Remote controls are not allowed anywhere at this tournament (This includes Smartphone applications that enable you to control your robot remotely). Bluetooth may not be used. Your team could be disqualified if you are found remotely controlling your robot anywhere during the competition or if your Bluetooth is enabled in the competition area!

Make sure you are ready to compete at least 10 minutes prior to your scheduled robot round. Remember to respect the referees and the other teams – and **HAVE FUN!**

Awards

The Awards ceremony will include a parade of teams. Please ensure that your team is ready to show how proud they are to have participated in this event.

The following awards will be presented at this tournament:

- Champion's Award
- Robot Design Award
- Core Values Award
- Innovation Project Award
- Robot Performance Award

Championship Advancement

Super-Regional advancement is posted to the Tournament Assignments page by the Wednesday after each Regional or once results have been received and verified. It is the responsibility of the coach to check the Assignments page to see if their team has advanced, no email will be sent until the host contacts the participating teams.

What is Gracious Professionalism®?

Gracious Professionalism® is part of the ethos of *FIRST*®. The idea and phrase are found throughout *FIRST*, but no one has been a stronger champion than *FIRST* National Advisor, Woodie Flowers.

"Gracious Professionalism is a way of doing things that encourages high-quality work, emphasizes the value of others, and respects individuals and the community. With Gracious Professionalism, fierce competition and mutual gain are not separate notions. Gracious Professionals learn and compete like crazy, but treat one another with respect and kindness in the process."

We expect all team members, volunteers, coaches, and families to behave as Gracious Professionals.

Tournament Cancellation Policy

The Walton Regional qualifying tournament may be canceled or delayed due to causes and conditions beyond the tournament organizers' control, including, but not limited to inclement weather, acts of nature, government restrictions, and/or any other cause beyond the tournament organizers' control. Please refer to local news and radio for current county advisories. If the event must be canceled, it will not be rescheduled, and advancement

Team Information Packet 2025

to the next level *FIRST* LEGO League Championship will be determined by lottery of teams registered for this event.

Competition Day Checklist

	Team Roster
	Team Information Sheets (2 copies)
	Robot, attachments, extra parts
	Fresh batteries/spare batteries/rechargeable battery charger
	Computer and battery (if available) and power cord
