A Note on Campaigning

The Prophet Mohammed (SAW) said in a [saheeh hadith](#), "We will not (or, we do not) appoint for our affairs anyone who seeks that position." Leading our community bears great responsibility, a matter which cannot be taken lightly. It is contrary to Islamic etiquette to seek a position on the MSA Board. The election process is designed with this principle in mind. Asking people to nominate or vote for oneself, creating political parties around a candidate, and campaigning of any kind will not be tolerated. Word of a candidate asking members to vote for him or her will be grounds for the immediate disqualification of the candidate.
