

## Snuggle Party Visioning Ideasheet #2

**What aspects of planning and hosting a snuggle party are you the most excited about?**

**What aspects of planning and hosting a snuggle party are you the least excited about?**

**What conditions or limits do you need to put in place to make your snuggle party as awesome as possible—not just for your guests, but also you?**

*Examples: minimum and maximum number of guests, the time by which you want guests to leave, the maximum amount of time you want to spend on setup and cleanup, the maximum amount of money you're willing to spend.*

**What supports do you need to put into place to make your snuggle party as awesome as possible—not just for your guests, but also for you?**

*Examples: Recruiting a volunteer to help with the aspects you're least excited about, finding a babysitter.*
