

CALLING ALL 4th GRADERS: WE NEED YOUR VOICE!

4th Grade Parents & Students,

Mark your calendars for the fourth grade music presentation of Texas, our Texas, a program honoring our great state, to be performed in the evening on **Thursday, March 9th**. Due to the number of students in our fourth grade class, our program will be performed in two separate groups by class, with one group performing at **5:30pm** and one group performing at **6:30pm** in the SRE Cafeteria. (Details about what classes will be performing at what time will be sent at a later date.)

In order to plan for the best performance, I am asking that every family fill out this quick [Google form](#) by Friday, January 27th. If you plan for your child to participate, it is so important for me to know this information as soon as possible. Each fourth grade student will have an important part to play in our performance, and we hope to have 100% participation from all of our students!

Students should also plan to wear the costume attire listed below, and it is advised that you plan now for your child's items needed. (If you are in need of items for your child, please let me know as we have resources available to assist you.) Some students will be given a speaking role based on their desired preference (all students who would like one will be given one), but there are no specific costumes needed for any speaking part. More information regarding your child's speaking part (if your child desires one) will be sent home at a later date.

Costume Information: Casual Western Wear - *Red bandanas will be provided to all students

See [here](#) for photos of inspired costume attire
