Help Icon

Help icon shows only on ShopMagic pages with help articles and ability to ask for help. If you do not want the icon to display, you can entirely disable it here.

Usage Data

Help us improve ShopMagic and allow us to collect insensitive plugin usage data, [read more](#).

Enable session tracking

Session tracking uses cookies to remember users when they are not signed in. This means carts can be tracked the user is signed out.

Enable email tracking

Track your emails performance by injecting tracking pixel in your messages and be aware of each clicked link.

Enable pre-submit data capture
