

tonight I want to teach you I'm going to start a series of lessons cuz I want you to understand the end times like you've never understood them before ladies and gentlemen I'm here to announce to you tonight the end times are not coming it's no longer a future word it's no longer a future test the end times is the day that you was born for you are living in the end times tonight can y'all hear me on the back without a microphone okay you are living in the end times and tonight I want to break down what that means number one remember this if you ever hear

anyone teaching about the end of the world there will never be an end of the world always remember that this world is never going to stop spinning it's never going to go out it's never going to be done away with now when I'm teaching like this we allow questions okay so if I say something and you don't understand it or you don't agree with it we're doing an open form class tonight it's different than preaching so we will we will answer your questions as long as they are on the subject we're not going

to answer your questions about corns on your toes and how to get rid of Hallelujah praise the Lord so I want you to change your terminology instead of saying the end of the world I want you to start saying the End of the Age End of the Age there are ages of time 2,000 years make up an age okay we have just finished living through the age of Pisces or the pisan age that's a period of 2,000 years okay now we are entering into what age Aquarius Aquarius we're moving into the Aquarian age which is a different Epoch of time now in every age the Bible refers to that as the

spirit of the age every age carries with it a spirit for example if you don't understand why your world is changing before your eyes if you don't understand why there's no more monarchies in the world what happened to Kings what happened to strong conservative government what happened to all these things why do we no longer have uh you know we used to have schools that were strong and but everything seems to be falling apart now and now everything's becoming real watery because the pisan age was an age of structure the spirit of that age was uh

the age of order and organization structure but the Aquarian age as we move into that age that is a watery age with No Boundaries why do you think men don't know if they're men anymore we've moved into the water age where everything is fluid now okay the spirit of the age is operating in the earth now the Church of the Living God which is you you have a hard job to find a way to walk in the the spirit of the Lord rather than the spirit of the age the spirit of the age tells you do it your way now everything's okay everything's accepted so just move into that acceptance of everything get in the

spirit of the age but John said I was in the spirit of the Lord you've got to learn to get in the spirit of the Lord so you won't be affected by this age that we're entering into right now listen to me everything you've ever seen it's over it's changing every structure you ever believed in democratic government Republican government listen to me it's over Society is over as we've always known it yes ma'am and no ma'am is over yeah why we're in the what I'm fixing to read to you about in the word of God we are now in the spirit of the End of the

Age no respect no order lawlessness why do you think our streets are today they're where they where they at today burning the city down even after Biden's elected they're back to burning cities down again why there's a spirit loose and if you're not careful that spirit will get in your mind tonight we're going to learn about the End of the Age how many's ever heard anybody teaching about the end times let me see your hands all right I've heard about it all my life about the end times and they all have good intentions but their foundational structure let me say this to you if you

if your structure in dealing with the end time is messed up your interpretation will be messed up I've heard so much junk concerning the end times uh if you've ever read the book now you know you got to bear with me if you've ever read the book left behind you need to throw it in the garbage and you need to burn that garbage can to pieces one of the most demonic doctrines that ever touched our planet why because it's a construed image of the the end time Satan wants you unprepared for what's about to happen in

your world so that when it happens you will lose your faith oh I know just bear with me some of you that's giving me the look hang tight because the fact is when I get through with this lesson tonight you will never look at the end times the same way you've got to get your glasses is Right watch this I'm holding this cuz my I'm not on the microphone I have to record it for the video I can take this Bible brother Ronnie and I can read it with no glasses exactly for what it says but if I pick up over here my Catholic glasses and I read it I'm going to read the Catholic

version of it stay with me if I go over here and pick up my Baptist glasses I'm going to read it the way they told me to read it right I can go over here and pick up my Pentecostal glasses and I'm going to read about the end times the way they told me to read it but this ministry takes the glasses off and we say we've got to get back to everything that's true and let the word of God be true that every man be a liar so what is the problem here's the problem when you read about the end times from a new testament

perspective you've got the wrong glasses on you can never understand the end times from a new testament teacher and mostly that's all anybody in the church today knows anything about is the New Testament until you come to learn to trust in Torah you can never understand the end times brother V I don't believe that oh I'm fixing to prove it to you I don't believe you got to know all of that to understand the end times Well if you don't understand the Feast of Israel you will get the end times messed up every time so I said all that to say

this if you want to understand the end times you got to go back to the Feast of Israel now I want to prove to you about the glasses you've been wearing many of you you can't put those glasses on because you've been taught the feasts were done away with okay now can I get an amen you were taught that was in the law and God did away with with all that and here I am telling you you can't understand your Bible without understanding The Feast so now you got to decide if your church is telling the truth or brother

V's telling the truth well actually I'm going to make it real simple for you let's go to the book of St Luke I tell you what before we go there hold tight let's go to Hebrews 2 and 8 Hebrews 2 and 8 and then we're going to go over to 1 Corinthians 15:27 now listen I I cut praise and worship off early tonight so that we could dig in so ain't nobody going nowhere we got Kool-Aid at the end of the service Hallelujah we ain't letting nobody out right now hold on I say that so people will give me a chance to explain myself to

them Hebrews chapter 2 I do like Kool-Aid though Hebrews 2 and 8 thou H has put all things in subjection under his feet for in that he put all in subjection under him he left nothing that is not put under him but now oh we see not yet all things under him that sounds like a big riddle to me that sound like a whole bunch of riddles right that verse I just read to you is the secret of the end times and very few churches know anything about that verse here's what it just said there's coming a time when everything is going to be put under the

feet of Yeshua that's right that's Jesus but then the next part of the verse said it's already been put under him but then the last part of the verse says ain't nothing been put under him I tell you what we'll read it again just so you understand where I'm coming from you have put all things under his feet well let's stop reading right there brother Von the Bible said all God's put all things under Jesus' feet no it doesn't you stopped on the wrong line go to the next one verse eight for in that he put all subjection under him let nothing that is not put

under him but now ain't nothing under him that's right not yet yet that yet uhuh is the secret to the end times God's put all things under Jesus's feet no he hadn't he's going to

at this point only the church is under Jesus's feet mhm not the world so here's the problem when you hear the kingdom now preachers and I love every one of them they will quote that verse and tear it apart everything is under his feet but the Bible said nothing yet is put under his feet now let's go and we'll follow that up with the second one in 1 Corinthians 15: 27

never believe anything I teach if it don't line up with this book from cover to cover 1 Corinthians 15: 27 you need to learn these things tonight for he has put all things under his feet but when he said all things are put under him it is Manifest that he is accepted which did put all things under him and when all things shall be subdued unto him then shall the son also himself be subject unto him well the first verse 27 said he's already put everything under his feet and the next verse says when he does put everything under his feet what's it going to be come here brother

lauff come here brother [Music] Ricky stand right over there and you get on the other side of it all things are under your feet right one day everything's going to be under your feet well one of them which one's true both both this is the secret to the end times I'm fixing to teach you about Jesus Christ at this moment the only even death is not under his feet yet did you know that I'll prove it to you in a minute the Bible says at the end of the millennial then death The Last Enemy will be put under his feet but not yet so here's the

problem with Kingdom now teaching they put everything in the now okay here's the problem with future Kingdom teaching they put everything in the future the Bible puts everything in the now and the future Hallelujah yes and you've got to learn not just to be focused on the now but you must be looking for the future listen to me if you're a Christian tonight and you are not adamantly looking for the coming of Messiah you're not a Christian thank you Brothers I'm going to say it again the Bible said he that

is watching and waiting you cannot look for the coming of the Lord cuz you believe he already came but you better find out he came he come and he's coming and you better learn all three of those in your life so tonight we've got to find out when all things are going to be put under Jesus's feet and we learn that from the word of God let's go now because uh we're going to go to Luke 24: 27 Luke chap 24 verse 27 St Luke I'm fixing to show you that if you believe the feast days have been done away with that you can never understand your Bible Luke 24 and verse

27 all right now this is yua talking to his disciples read verse 27 sister Justina and beginning at Moses and all the prophets he expounded unto them in all the scriptures the things concerning himself so they're asking Jesus about his soon return they're

asking Jesus when are you coming back they're asking him are you really the son of God do you know where he went to to give them an understanding of the end times you just read it in verse 27 beginning with who the and the prophets beginning with Moses which is

Torah Jesus Christ began where we run away from he began with the Feast of Israel Hallelujah he began explaining to them from the feast that his church would try to convince you are done Away With Jesus how do we understand who you are how do we understand when you're coming back I love what Jesus said beginning with Moses mhm and yet the church tells you don't go don't worry about going back there to Moses's books stay in the New Testament Jesus didn't follow their advice he began with Torah Hallelujah woo he began with the first five books of the Bible and he showed them the mysteries of God from the Old

Testament and tonight what's wrong with the Christian church is we are ignorant of the Books of Moses we are ignorant of the Old Testament and therefore when we come to the end time discussion we wind up going out on all kind of Limbs because we're not bringing it back where Jesus brought it back to somebody say his name Moses Moes that's where Jesus started explaining the end times and that's where I'm going to start explaining the end times to you tonight from the book of Moses now go read Luke 24 verse 44 and verse 45 I'm going to show you

how Jesus t read that sister Tess verse 44 and verse 45 follow me son with the camera okay and he said to them these are the words which I spoke to you while I was still with you that all have to that all have to be filled that were written in the Torah of Moses okay and the prophets and the Psalms concerning me then he opened their mind to understand the scriptures how did he help them to understand the scriptures he opened the Torah he open the books of Moses to them he didn't open Matthew Clark's commentary he didn't open the the new

Ivy version he went back to Moses and he said I'm going to open your understanding tonight I've come to open your understanding about the end times by bringing you back to the books of Moses now what's in those books of Moses brother V that explains the end times the holy days why do you think Satan took him out of our churches and replaced him with Pagan easers and Christmases and replaced him with all the like that see there's another level to me some of y'all ain't never heard before why do you think the Roman Catholic priest come in and took away

the holy days from God's holy church that's right that's right yes why do you think the Pope Gregory told the church no more will you keep those detestable Jewish practices

but we're going to create by my authority excuse me papa you don't have no Authority outside the word of God yes sir Hallelujah I'm going to say whether y'all like it or not good the pope said by my own authority sir you don't have any that's right amen you don't even have authority to get kids from being molested in your church much less try to

interpret the word of God praise God he said by my authority will get I show y'all seen it y'all know I can prove this right go to your encyclopedia type it in Google it's all there the enemy of God's holy church was the Unholy Catholic Church it came against the word of God and it took out these holy days and guess what else it did it changed God's true Sabbath day to the first day of the week yes sir oh I come to preach tonight I don't care if you like it or not I'm going to help you to understand something so we took the holid dayss out by the hands of Satan himself dressed in a white

robe why did Satan do it because without the holy days you are clueless of the workings of God in the Earth today you can never understand the workings of God at a Christmas tree or an Easter egg Hut I don't care hello do I have a church tonight Hallelujah you want to understand the mysteries of God it won't never be in a rabbit that lays an EG lie to your children worse than the schools lie to I can go point my finger in this Bible and show you where God said to do it can you do the same you're so good to be

free H if you came then who's following the way and who's not it's a tight way it's a right way so sister Justina we must get to the point where we understand that Jesus went back to Moses which is the holy days and now we must go back to Moses to understand now we're not viewing scripture tonight the right way we've got to look through the lens of Moses tonight I'm going to break down for you the the end times through the glasses of the holy days I'm going to break it down through the glasses of the holidays and I'm going to show you where we are and what

we're doing number one and I don't have a lot of time to to belor the point there are two sets of feast now hold on if you're here tonight and you truly believe that the holy days were done away with I love you and I'll talk to you all night long now there's no you can even lift your hands and say I believe they were but before you do when yua died if he did away with the holy days you've got a made your problem because 60 years later I'll give you New Testament proof where the church was still keeping the holy days

so if they were wrong then I'll be wrong right along with them okay they were all brother Bon what are you talking about well I'll make it real simple Paul is in a town called Macedonia preaching a great Revival 60 years after Jesus did away with the feast you know what Paul told those people I got to shut this thing down why Paul I've got to get

to the feast by all means I must keep this Feast I got to go I must get what did he say
you just said by all means I must keep this Feast but Paul we don't have to keep

them no more somebody forgot to tell Paul that and then if Jesus did away with the
feast somebody forgot to tell all his disciples and all of his church you know why
because the day after he died Sister Laura why wouldn't they go put any oil on his body
because it was a feast day no go go in there Jesus did away with them go in there the
but your is what it is it's a li that's been transposed onto us from catholicity and God's
people are coming out of it so tonight I want to show you the beauty of these holy days
number one there's seven holy days there's my favorite number that's God's favorite
number there are

seven and they happen every single year now the first set of holy days happens in the
springtime those will happen in about two months from now you'll hear us start talking
about Passover very soon we make a big to-do out of here we we we Spruce this place
up make it beautiful people come in from everywhere to get the Passover with us
happens every year now why because for for me to understand the end of the story I
must every year recreate the whole story and live through it every single year oh yeah
see watch this care so Passover night you

know the New Year according to God's word was not January the 31st it's March the
25th this year why God's new year begins not when everything's dead but get this when
everything's new the whole world world is backwards the spirit of the age is backwards
brother Le but right after now watch this God said on the 14th day of the first month I
want you to keep Passover every year now I want to ask you sister Bonnie he said do it
on the 14th day right of the first month what if they would have done it on the 15th day
would

that have been the Passover no what if that done on the 16th day would that wouldn't
have been the Passover let me tell you why because God is teaching Us in these
numbers when he's coming back God is teaching Us in these numbers the end time so
he said I want you to count 14 days in the first month and I want you to come and
together and celebrate the death of our Lord Jesus Christ then the resurrection of Christ
happened right on time according to the waving of the sheep of the that was another
festival and then we have the counting of the Omar I'm not going to go into all that those
feasts will happen in about 2 months from

now why does it matter that we keep them because if you don't you have no idea what's
next on God's C but something happens after the spring festivals everything goes quiet
for four months until we get to the what the seventh month of God's New Year that's

called the fall festivals we will celebrate that in Lake Gunnersville Alabama the fall festivals now notice this in the seventh month let's go read Exodus 40 and 17 here is how you're going to understand the end times tonight by keeping me special it all right Exodus 407 brother Ricky

you have it read first month and the second year on the first day of okay now notice what he told him a specific day the problem with the New Testament God I need y'all to hear this is he don't look nothing like the Old Testament God the Old Testament God was very specific he said the first day of the first month not the second day but first why it's a test of your character he said I want it done when I say I want it done why because if you'll learn to obey me you'll know when I'm coming back right watch this he said now

I want you to he told Moses what to do now read for me let's go uh sister Pat you want to read numbers chap 10 and we're going to go verse 1 through verse 10 numbers 10 can I get a water somebody numbers 10 verse 1 through verse 10 the Lord said to Moses make Two Trumpets of hammered silver and use them for calling the community together and and for having the camp set out sound the whole Community is is to assemble before you in the entrance of the of meeting hang tight have you ever wondered why we go to church so

much have you ever wondered why we got to all get together let's just do Co and let's all sit it on anytime you read God's command to his church it's always gather them together God loves the Gathering when you drove from your homes tonight you were God wants us in this building together that's right I serve God over there I know you can't but quit doing it your way he said I want you to bring the whole Community together y'all drove from lafette tonight to get together God's idea is together it now the modern Church want you to think you sit at home but God's not ever sitting at home he's

in the Gathering come on all of his festivals He commands you to together get read if only one is sounded the leaders the heads of the plan of Israel are to assemble before you when the trumpet blast is sounding sounded the tribes camping on the East are to set up at the sounding of the second blast the camps on the south are to set out the blast will be the signal for setting out to gather the trumpet excuse me to gather the assembly blow the trumpets but not with the signal for setting out the sons of Aaron the priests are to blow the

trumpets this is to be a lasting ordinance for you and the generations to come how long sister Pat I missed that how long you said this is to be a lasting ordinance for how until Jesus comes is that what it said oh wow so it didn't sa when Jesus gets back that stops I'm just making sure I got this here H forever why the secrets in the feast keep was that

verse [Music] 10 when you when you go into the battle in your own land against an enemy who is oppressing you sound blastp on the trumpets then you will be remembered by the Lord your God and rescued from your enemy this is called the Feast of trumpets

it's the next Festival that happens after the first three festivals listen to me carefully and listen well I'm fixing appr prove to you did Jesus keep the Passover perfectly on time what day was he chci 5 the 14th day of the month right did uh he rise at the waving of the the the the U the sheep on time did he do it stay with me when did the Holy Spirit get poured out when on the sh also known as the Feast of first fruit now notice in the book of Acts when the Holy Spirit fell why did Jesus I need you to pay attention now tell those

disciples go to Jerusalem and don't leave why because he was telling them to go keep the feast that was coming up he knew they were going to Jerusalem to keep the feast now sir if you're fixing the DI and do away with the feast why are you telling me to go keep the feast he said go to Jerusalem and wait what am I waiting for why when they got to Jerusalem didn't they just get the Holy Spirit the next day what time and they would have known when the Holy Spirit was coming had they known when they were keeping the Feast of

first fruit what it meant yeah the infilling of the holy spirit so they get to Jerusalem 10 days later nothing happen they still waiting you know what they're waiting for the 50th day what because Jesus when he was teaching about himself where did he bring the disciples back to Moses the feast so if you want to understand when the Holy Ghost was coming you had to understand the feast because in Acts 2 and verse 1 it says and when the 50th day was fully Cal right on top somebody say right on top right on to if you are not counting these spee days you don't know what time

it is and you don't know what God's doing that's why the Pope took them away from you they want you dond ignorant but I'm so glad I saw a Marvelous Light Hallelujah listen they knew Jesus knew right when he was going to return to them in the form of the Holy Spirit the ruad 50 right when it was and you go read the book of Moses it says and on the 50th day they would wave that se that that's where the end of the Feast of first fruits would happen Jesus knew you got to wait do it right now boy you got to

wait wait but if you know what you waiting for it ain't no wait Hallelujah do you hear me if you know what time that is you don't mind waiting if you're at the doctor's office and you know he's going to see you in 35 minutes you don't mind waiting the reason the church is time waiting they don't know what they're waiting for yes sir because they're

not keeping the festivals notice what he said in the seventh month that's when this when she just read about he said there's going to be another Festival I was on time for

pel I died on the 14th day of the month on a Wednesday I died no Jesus did not die on a Friday that's a Catholic lie Jesus died on a Wednesday and don't challenge me tonight I'll prove it you won't have you I promise you I can prove it he died Wednesday another Catholic Li there is no good Friday there's a good Wednesday all our lies and you know why we believe them cuz we don't know the holy days Jesus died on the 14th day of month right on top Holy Ghost came on the 50th day I wonder if his next coming is going to be right in

time God keeps up with timing you may not but there's a few of us that are yeah every seventh month we come in these buildings and we blow the trumpet but I want you to notice something about the Feast of trumpets we didn't know before we were always focused on this trumpet the chaar but sister Pat just read something totally different in numbers she said for God told no boses to make two TR made out of what silver silver why Silver Jubilee Dar listen I want you to make Two Trumpets not just this your fire but two why in those verses she

just read here's why the first trumpet that you're going to blow is not for all of Israel oh I'm fix a shout my Hallelujah my Bobby pin's going to be flying in a minute y'all a PC you don't know I don't know what ha are praise God listen he said two trumpet why two trumpet because the first trumpet when you blow it it's only for a certain yes the leaders yeah see if you can find that verse again real quick in there about the leaders I want you to hear this the first trumpet it's not for the whole church I'm fixing to get deep with this y hang with me go ahead I'm pretty

sure it says when both are blown together the whole conation absolutely but not the first one right single when the single one is blown this trumpet is not for the whole church read if only one is sounded the leaders who leaders the heads of the planet the heads of the Hallelujah Hallelujah 144,000 Overcomers yeah the remant those that have been training for raining and schooling for ruling when the first trumpet blows it's not for the whole church it's for the [Applause] leaders but see the church don't teach this they say we're all equal let me tell you something if you're not a

servant of God you are not equal with the man that gets many stripes and fewer stripes the Bible said the first tret when Moses blows it I won't the leaders to rise up come on he said you tell the rest of the church don't rise up yet that comes in the second trumpet my God he said when you blow the first trumpet I those that I can trust to rise yeah how want those that have proving themselves to be leaders of the house of the Lord to rise

up yes sir Hallelujah and then we're going to blow a second trumpet after that who did he say wants to get up at the second

truck I feel like sh my hair second blast the camps on the south are to set out the blast will be the signal for setting out to gather This Together the what the assembly somebody say the churchur the leaders come up first daring yep who are those leaders brother the B I'm trying to train you to be one of them y'all thought we was all coming up together that's Christian Koolaid there's one group of people that's being prepared by God to come up first when the first Trump of God shall but to understand that you would

have to go read the book of numbers and you're scared to read it right cuz it won't have nothing to do with myself I'm so sick of hearing that they don't have nothing to do with me being saved you better believe it don't it's better than that it has something with you being selected chosen to be rulers and reers with Christ Jesus our lord Hallelujah read for me now let's go over to the book of First Thessalonians 4 and verse 16 I feel my preaching coming on first Thessalonians 4 and 16 woo y'all stay with me we ain't going

nowhere yes sir preach go ahead son also doesn't it say people that come up in the first that are risen in the first are spared the second death absolutely absolutely yes sir and the problem is the church does not preach about this first resurrection if they did people would live for God harder and better Hallelujah read for me uh uh uh uh uh sister Javon you have that or first Thessalonians 4 you can't do nothing to earn nothing you better go read your Bible and you better quit listening to that or you going to miss the first resurrection that's right listen he said those that earned it they're going to hear the

first trumpet with themselves those you remember the Two Trumpets they're going to hear the first one now read darl blessed and holy is he who have part in the first resurrection un such the second death has no power but they will be Priests of Yahweh and Messiah and will reign with him a thousand years Hallelujah I want to be in that number I want to be in that number they're going to come up in the first resurrection and they're going to reign with M they're not going to heaven they're going to work did you hear me they're going to

work to restructure this planet to restore this nation this world they' got a job to do and ladies and gentlemen you can be in that number what do I have to do brother you got to give up your life that's right not your physical body but you got to give up your own agenda your life and shout out to God this is not an easy walk this is a walk of the crucified way hallah and if you're not willing to be cruci you're here tonight on the Sabbath you crucify your own desire to sit at home you crucified you and you obey God yes that's the path to the first

resurrection Not all men not all Christians will come up in the first resurrection the Bible said the rest of the Dead are not raised until the end of the Thousand Years so let me just ask those of you here tonight sister Tess when do you get up if you make that Resurrection before the millennial Reign or after the millennial Reign before but there are many Christians that will get up after the millennial Reign why they been qualify for this Resurrection think about this children for those of you that just told you to have faith in Christ and live the way you want to live they were robbing you

of the first resurrection brother V are you saying I'm go to hell I'm going to say if you miss the first resurrection you'll feel like you went to hell oh on what you missed out on God wants you to strive for the best to be everything he wants you to be to obey the word of God whatever it says somebody said whatever it says whatever it [Music] says not all Christians are raised up in the first resurrection I want to prove that let's go to St John chapter 5 verse 28- 29 sister Justine if you'll read that

John 5 28 through 29 this is Jesus talking 528 yes through 29 Marvel not at this for the hour is coming in the which all that are in the grave shall hear his voice okay everybody's going to hear it the trumpet there's coming a time when everybody's going to hear read and shall come forth they that have done good unto the resurrection of life and they that have done evil unto the resurrection of damnation now I'm fixing to prove to you something that you never would have believed from that one verse hold your put your P yourself

tight pull them tight do you know what Jesus Christ just said in that verse that the majority of Christians are coming up in the second Resurrection on he didn't say that never read it again he said there's coming a resurrection where everybody's getting up now we just read where everybody ain't getting up in the first one right he said there is a resurrection where everybody's coming up now we would have thought in times past that that would be referring to the unsaved no what did Jesus just say the good and the bad's coming up

together the second Resurrection y'all read it again I'll let yall read it one time what I just told you is a b Hallelujah is that the second one after the thousand years after the Thousand Years and everybody will get up in that one maybe you if you don't make the first job amen amen but but I want you to now do y'all think I read into what Jesus just said there or did Jesus say the general Resurrection you're going to have people that's good that comes up to eternal life and that's going to be sent to damnation all in the same Resurrection

yeah we were always thought the Christians come up in the first resurrection and the Sinners come up in the second it's a lie the church comes up in the second with the Sinners The Remnant comes up in the first yeah Hallelujah the leaders of God's church and when I talk about leaders I ain't talking about pastors many of them's coming up in the second one I'm talking about soldiers that is sold out for God leaders in the work of godah did you know your Bible said these things the reason we don't know

because we don't want to come to a Ministry like this that's focused more on having good church and trying to teach you the word of God I want you to make that first resurrection I don't want 30 minutes in silence in heaven you know why that 30 minutes of silence is going to be there when you realize you were duped out of your inheritance of the first resurrection from BL preachers listen to me tonight what are you wanting the first or the second your life will tell what you're wanting did you hear me your life will tell what you're want now Brothers and Sisters

Jesus said in the second Resurrection everybody's getting up the church and sin but he talks about the first Resurrection being a total different group of people W wo wo somebody ought to go let's go the book of Acts 24 14-5 I I want you to hear this now acts 24 14-15 and I'm almost done eventually read that for me sister T if you have it if you don't someone whoever's got it read it acts 24 14 and 15 and toward God say it again and have hope for God they they themselves also allow that there shall be a resurrection of the Dead both of the and the unjust who's coming up in that resurrection of

the Dead the just and the unjust that's the second Resurrection the church is the just the people that's been saved are the just people that's been baptized in Jesus name are the just people that receive the Holy Ghost are the just and they all coming up in the second one if they make the first now let's go read in Philippians 3: 11 this is going to tie it all together for you so whoever's got Philippians chap 3 and verse 11 read it for the class okay if somehow I might obtain to the resurrection out from the dead listen to me wait a minute Paul wait a minute

Paul what do you mean if you might obtain the resurrection you're saved he said I don't even know if I'm going to make the [Music] resurrection he said it's my desire I want to make that High Calling that Resurrection well Paul you're saved of course you're going to make let see Paul MO we don't know Paul knew there would be two resurrections he W wor about that second one salvation will get you up in that one but he said my desire is that I might obtain that better Resurrection yeah Hallelujah to God I don't know about you tonight but I want that better Resurrection Now read verse 12 sister

perfected not saved sa is free Perfection is a process and you're going through it tonight
sitting under my preaching you're going through it your your the holy spirit's going in
your heart brother lauff tonight causing a desire to be in you

for Perfection before God why because if you don't desire Perfection you don't desire the
first resurrection cuz Paul said I don't know if I'm going to make it w now the church
says Paul you're saved Paul said no no I know better I don't know if I'm going to make
that Resurrection read what he said keep reading verse whatever 12 to lay hold of that
for which Messiah Yeshua has also laid hold did you hear that I must live like Messiah
he obtained that better resurrection and if I'm going to obtain it I've got to lay hold of
what he laid a hold of oh yeah Hallelujah to God he said I don't think

I'm there yet but I'm striving I'm forgetting those things that are behind me and what am
I doing I'm pressing forward to the mark of the higher calling I don't want the low calling
of Salvation I want the higher calling of chosen May are called but you will be chosen
does anybody have that verse right there where he said forgetting those things that are
behind me is it right there in those few verses does anybody have that I close with that

it yet but

only this forgetting what is behind and reaching out for what lies ahead hallelujah thank
you Lord I Want It All Lord yes Lord said I want it all work I'll say yes Lord I'll say yes Lord
to your will and to your way you want me to keep your Sabbath I'll keep it you want me to
give my ti I'll give it you want me to get with the father just tell me what to do and I'll do
it Hall Paul said I don't count I don't think I'm going to I don't think because I had to laid
hold of what Christ what did Christ lay hold

of what did Christ hold up what did he say I don't do nothing unless my father says it
yeah he learned how to obey his father Jesus didn't learn how to get saved he learned
how to obey that's right and if there's going to be a people in that first resurrection when
they lay my dead body under the ground whether it be today whether it be tomorrow
whenever they write my life insurance checkout to my wife and she's got that new
Young husband everything with my hallu I hope and pray that I live the life reaching for
more as I close for the 17th
