

MomentBox Privacy Policy

MomentBox is a fully offline and free app. This Privacy Policy explains how information is handled when you use the MomentBox mobile application ("App").

Information We Collect

MomentBox is designed to keep your memories personal and simple.

- Content you create in the app (such as albums, photos, notes, and related metadata) is stored locally on your device.
- We do not sell your personal data.
- We do not collect personal information for advertising purposes.

How Your Information Is Used

Your in-app content is used only to provide core app functionality, such as:

- creating and managing albums,
- organizing your memories,
- showing your content inside the app.

Data Sharing

We do not sell, rent, or trade your personal information to third parties.

We may share information only:

- if required by law, or
- to protect rights, safety, and legal compliance.

Data Retention

Because core data is stored locally, you control retention on your device.

If you delete app content or uninstall the app, local data may be removed from your device (subject to device OS behavior).

Children's Privacy

MomentBox is not intended for children under 13, and we do not knowingly collect personal information from children under 13.

Your Choices

You can:

- stop using the app at any time,

- delete your content from within the app,
- uninstall the app to remove local app data (subject to device behavior).

Changes to This Privacy Policy

We may update this Privacy Policy from time to time.
When we do, we will update the “Effective Date” above.
