Brownwood Acres FARM and FLEA MARKET **2024** VENDOR APPLICATION

About the Flea Market

Brownwood Acres is a reputable establishment where area residents have enjoyed shopping, vending, eating and meeting for over 75 years. However, we are **first and foremost a business**.

We hold the ultimate authority to limit the sale of items that we deem unfit for sale on our grounds. By signing this agreement, vendors agree that it is their responsibility to ask permission to sell items that may be deemed "too close/competitive" to those found at Brownwood Acres own shops.

We give preference to vendors who will commit to vending on for the complete season and those who have been coming year after year.

If you still have questions, check with Brownwood Acres to determine whether we are the right market for you.

Dates: Sundays (Day Before Memorial Day to Day Before Labor Day)

Time: 9:00 AM to 1:00 PM (Vendors may arrive at 8)

Rained Out: In the event of inclement, vendors will receive a text message/email notification of a cancellation.

Wedding or Event in the Field: We are going to be hosting more weddings and events at Brownwood Acres in the years to come. We will work with the event host's to make sure the lower section of the field remains open for Sunday Vending.
