

- Junbin was going to join atlanta but shock "strongheld". Atlanta was going to pay a higher salary and buyout
- Gator really doesn't like shock
- Massa and Gator had to be peer pressured to leave the house
- Gator is interested in joining commander x's podcast
- Donghak does not have a big ego. He is kinda stubborn though
- Unter leaving effected 2022 atlanta
- Gator liked unter coaching
- Seeker trialed for nyxl and Washington (seeker's words)
- LAV org did not like the team
- People keep asking me to do my math homework
- Most world cup teams decided to just go with a core of a team rather than picking the best individual players from that country (like team USA and Korea)
- Gator praises crusty saying "All of the shock coaches are pretty good"
- Gator misses erster
- Lip was disappointed not to win mvp
- There is still a lot of stuff in the atlanta facilities (like merch and pcs)
- Gator thinks fans use hindsight way too much when they don't understand what works and doesn't work in practice
- Donghak had alot of pressure on him with him being 17 on a team with adults
- Gator says donghak is a good kid
- Gator thinks alphayi and knife deserved better teams
- EU players were too risky for atlanta to sign because they were a win now team and didn't have time to develop players. He added on that EU was just like any other western player
- Atlanta decided not to go for another Western tank because they wanted a ball/monkey player
- Gator likes vestola
- Gator asked both mikey and reiner if they wanted to join. He was also considering asking jkaru but decided against it because he wasn't that good on ball
- Lip wanted to play in NA because NA has better competition and more money
- Lots of Korean players want to play in NA and move to NA
- There are lots of solid Western monkey players but it is hard to practice him because the west like to play anti dive comps in ranked
- Mayhem and outlaws beat atlanta most in scrimms but atlanta beat them more than they beat atlanta
- Gator does not know what nlaeer is doing but he is living somewhere in Eastern Europe. He sees him on Instagram sometimes
- Someone in chat said nlaeer's family is rich so he dodged military service. I don't know if this is true but if it is it is very funny
- American tornado players were fun to play with
- Fusions was a very loud player
- Gator didn't play in flash ops because he is currently moving and was tired after world cup

- Hawk didn't want to play in world cup
- 2022 atlanta didn't like to play brawl stuff so Gator didn't have much of a role
- For Queen meta they instantly went with hawk because of his mechanics
- Hawks Winston was like coluge and punks Winston skill wise
- Gator tried to join hawks game to see if he was scrimming
- Gator thinks someone elevated his team the most out of any player
- All of the rizzlers left the league but the best rizzler was space
- Gator was surprised that more Koreans didn't get cancelled by owl twitter
- When asked about nicogdh Gator smiled to the camera and said "he is a player who exists". He also said he had a solid mei
- Gator said the support players on atlanta 2023 were alot more opinionated than the dps players but not in a bad way
- Gator said the players who could bench the most were coluge, hydron, hadi and sparkr. Mattmerc also said babybay could bench alot
- When asked who had the best facial hair Gator said no one had good facial hair in the league apart from fragi
- The Koreans thought nlaaer sucked because he couldn't play zarya or brig
- Hydron is an entertainer and likes to put people into headlocks
- Hydron eats lots of raw chicken and rice
- The worst fans in owl are the bandwagon fans. Gator says all teams have pretty good fan bases
- Gator listens to some kpop
- Gator doubts the new owl esports system is going to be good but he isn't going to knock it until he sees what it actually is like
- Kai was originally going to stay on atlanta before Lip joined
- Chiyo and fielder were not a package deal. They got separate offers. One of them helped to get the other on atlanta
- Hanni is rupal's newjeans bias
- Kai is emo because it is always raining in Nottingham (gators words)
- Owl players are usually more happy during off season
- If they got rid of regular season and did open circuit tournaments it would be more enjoyable as an esport
- Hawk is still in atlanta but is leaving in a few days
- Vigilante and lip spoke the best English.
- Atlanta had a sports physiologist in season 2.
- If nlaaer got benched he would just randomly go MIA and no one knew where he was
- The lights were too bright for 2023 shock
- When owl teams scrim contenders teams they don't try and win and play all of their worst maps and comps to improve while contenders teams usually try hard
- Problem with Boston this year was the fact their team was past their prime and they didn't mix very well
- Once players win titles they start to care alot less
- Gator finds the new roadhog boring
- Gator has the Fortnite keyboard

- Dafran had to eat mid match because he forgot to eat that entire day
- One time when atlanta were playing in Hawaii, pelican had to play from home and was on 120 ping. Unter said he could fix it but somehow made it worse. The ping got so bad that pelican had to be subbed out. The blizzard employees were bewildered at how unter done it. Unter was sad afterwards
- Pelican was not hard to work with but he was opinionated. He was actually quite easy to work with
- Erster hated talking. He would just use random noises in comms instead of actual words. He would make a honking sound when he me ulted (kinda like pingu)
- Atlanta was not worried when they went to map 5 against shock. It was the least worried Gator ever was for a potential reverse sweep
- Gator didn't expect shock to be as bad as they were
- Gator thinks proper's team is going to win flash ops apac
- Gator thinks Saudi winning world cup wasn't that surprising
- If there is a solid system for ow esports then Gator will stick around
- Alot of owl players smoke/vape
- Players need things to cool down rather than amp them up. That is why not many players drink caffeine or use adderall
- Gator would've probably kept playing in the league if ow was still in 6v6
- Fire was a perfect teammate
- For role stars Gator voted for his players and all the mayhem players apart from checkmate
