- No exact episodes remaining for TPOT
- BFB's 64 cast roster came from the fact they were too ambitious to make a big cast
- Michael reveals Loser and Winner is the best storyline of BFDI
- Donut and Firey Jr would be brought back to life if they could bring one BFDI character to the irl world
- Cary advocates the audience to vote 9 Ball to debut in the next failed TPOT debut
- Cary also states the difference between Leafy and Evil Leafy is that their opposites of eachother
- Recovery isn't a thing in IIV
- an alliance of four or more rule in BFDIA 3 still stands true with death pact and newbie alliance (this also confirms Death P.A.C.T is an alliance)
- What fifteen is up to will be revealed soon
- Electronical Minds (like TV) and Mechanical Minds (like RF) have to stick together
- II remaster's inuniverse creation was NOT because of Steve Cobs
- More III characters will be shown in II S4, but some of them are in the void, lost the race and died, or in the real world

Lauderhill July 6th 5:00 PM QNA

- More algebalien in TPOT coming soon
- Other Mephone products might appear in IIV
- Not all the non hosting algebalien have pocket dimensions, and Sam wonders if three has one
- Two and Gaty will be back
- One is more powerful then 2763
- Sam was excited to write the one and Pencil scene in TPOT 19
- Basketball Barf Bag and Gaty were erased from existence
- Possible Stapy Foldy and Liy interaction soon
- Mephone4S is fine
- More Three this year blah blah blah
- old "BFDIA 6" script was leaked
- Two wants to meet up with alarm clock ITFT
- BFDIA 6 is the hardest episode Michael wrote, while TPOT 9 is the hardest Sam wrote

- Black Hole is in One's area
- Two is good with the other algebalien
- Something will Ones past will be revealed soon
- IDFB 2 confirmed
- The reasoning for Teddy Spiky and Bell appearing in IIV is because we haven't seen them in so long
- Leafy Bubble and Pin trio would be crazy
- Fries lost interest in Barf Bag which is why they have never interacted outside of BFDIA 14

New York July 11th 11:00 AM QNA

- Grassy has to find a way to fix stuff from TPOT 19's world ending
- Updates on BFDIA 5B are in the works
- TPOT 20 confirmed to be in September
- Cheese Orb would be a great character for Season 6
- More Paper and OJ interactions in the next couple of IIV episodes
- Season 6 of BFDI isnt in the works yet
- IDFB return confirmed
- Four has access to watch BFDI in his planet because TV signals can also reach other planets which also might mean the equation playground is a planet too
- Teardrop can speak but she chooses not to (again..)
- More Three this- ok im not gonna say the last word again but you know which one! Starts with a Y!

- Three's voice actor hasn't been confirmed yet, but there's a lot of people who want to voice act Three but it hasn't been fully decided who's the voice actor
- 2763 could appear if people wanna see them
- Zero wasn't gonna be canon in TPOT but due to his current fanbase Sam has decided to make him canon
- IDFB 2 won't be released on October 1st 2026, and Michael will try to find the perfect time to bring IDFB back (most likely after BFDIA ends)
- speaking of IDFB, IDFB 1 will NOT be remade anytime soon
- Sam thinks Puffballs elimination in TPOT was unfair
- Yoyleland was abandoned because the rent was too high and it couldn't be afforded
- TPOT episodes are processed by writing the script, voice acting, audio editing, storyboarding, and animating them
- X is gonna try bringing four back
- Test Tube likes to read fanfictions that include herself
- More history of Three and others will be shown maybe in TPOT 20
- If Steve Cobs was in TPOT Pillow would kill him off by slicing him
- Every Algealien has some power in some way (Fours power is having the Fourcest, Nines power is skateboarding apparently)
- The Algealien Shorts are in an alternate timeline, meaning they aren't canon to the BFDI universe
- Zero or Fourteen plush in the future
- Yin Yang might be developed in II Season 4
- Pen and Pencil are NOT siblings
- Rejoin in TPOT is confirmed
- Ruby can hit the griddy apparently
- If One hosted a season it would have one episode only lol
- The Fource from TPOT 11 is considered a "Cow" by Sam now
- The crew states more of their favorite object shows, Sam likes Object Lockdown, Cary likes Its Time For The, Michael likes Object Invasion (2024), Adam likes Paper Puppets Take Two, and Emily likes Object Overload

New York July 11th 5:00 PM QNA

- Yellow Face can sell fireworks but he can't store them in the most safe way
- Winner plush is currently in the works as of right now and is planned to release in September-November of this year
- Cary will play more BFDIA Roblox
- The Algealiens are autistic
- Three will appear if the crew finds a voice actor for him
- TPOT 20 aimed to release around September
- Pencil Match Grassie and maybe Fries plushies will all release together online after the tour ends
- A rejoin for TPOT will happen sometime in TPOT 20-25
- Every character from the 2019 plush poll will all eventually receive plushies

New York July 12th 11:00 AM QNA

- Sam wants Bottle to win TPOT

- the BFDI characters don't have noses which is why they find humans ugly
- Grassy plush soon
- a BFDI and TADC collab was mentioned, and not only that but a Murder Drones, Steven Universe, and *sinh* Skibidi Toilet collabs were mentioned too
- No BFDI season 1 remaster anytime soon
- idfb will continue question blah blah blah
- Just Not likes to play Goiky and Dragons outside of the show
- BFDI was inspired by total drama- DUDE CAN WE GET SOMETHING NEW PLEASE I BET ISTG
- Gaty will return soon
- Paradise Island will probably return in IIV
- Michael wants the original freesmart to be reunited, meaning Ice Cube and Book will forgive Pencil sometime in TPOT or season 6
- Michael wants four and x to come back and host season 6
- Plushies are decided by favoritism from Cary
- Magnet from IIV was supposed to be in III but the idea was scrapped, he's also gonna be a big character this season
- The announcer might come back in TPOT soon
- Fanny, Pillow, and Four are the characters that the crew thinks improved the most from BFB to TPOT
- all plot holes from IDFB 1 will be resolved with IDFB 2
- One and Threes origin story will be revealed in TPOT 20
- One is also linked with time traveling and the past after TPOT 15
- there's a team secretly working on a BFDIA 5B update
- Michael also wants a pillow hosted season 6 too (make up your mind...)
- Cary wants a Teardrop hosted season 6
- And Sam wants season 6 hosted by Firey and Leafy
- Two is more powerful then Four
- Rubber Spatula is Sams pick for a TPOT failed debuter to join the show again
- Profily is considered a TPOT failed debuter according to Michael apparently
- The people in this qna screening will appear in the outro of IIV episode 1

New York July 12th 5:00 PM QNA

- What would happen to the crew after BFDI and II finishes entirely is revealed, but not much info was revealed
- The One Two and Four pins are exclusive to Vidcon
- The source files to every bfdi episode will be public soon
- BFDI and II do not take place in the same universe
- Teardrop can talk but i wont finish this sentence (you probably know what it is tho)
- IDFB 2 will release on October 1st, but its unknown if its this year or in 2026
- Florence didn't make 11, 12, and 13 because she wanted to celebrate the 1.5 million subscriber special and also adds some mystery
- Eleven will also appear in a few years from now
- The prize for TPOT is now Bragging Rights until Two gets their power back

-The real reason Pencil has trama in TPOT 15+ is because of her being in the E.X.I.T for six yeats

-Pencil BFDI and Taco II could kinda get along together

-Pencil wont make an alliance with CloudYAY due to her having strong memories with OG freesmart, and it would feel like having a second family which doesn't feel the same thing

New York July 13th 11:00 AM QNA

-More history of Two and Four soon

-Why One wants the power of two will be revealed in the next episode

-We will see more interactions of Bubble and Lollipop in a future episode

-Someone asks how One will be killed off, but Sam doesnt answer and that will be shown off in a future episode

-Steve Cobs didnt know the exact specifics of everything when putting the egg inside the phones, and he is a little bit responsible for that

-TPOT 20 and episodes starting from now will focus on the backstories of the other algebalien in TPOT

-One was a villain because Sam got inspired by those predictions where One would be a co host and Sam wanted to divert the opposite of that and make her a villain

-Mephone4S didnt die and he downgraded himself to bring back Mephone4 and he isnt able to escape the void at all too

-Evil Leafy and Teardrop cant talk and an interaction between them would be like them working through their actions

-BFDIA 5B remake is in the works too

-im skipping this one because this one has the words "Three" and "Year"

-2763 does not have a story at the moment

-Two will get some confidence soon, meaning they will return to hosting soon

-III is called that because they wanted to rebirth and using angel numbers to indicate each II season would be boring

-1 Million Grassy's would win against One somehow

-More Ruby's Sisters sometime soon, maybe even a spinoff show???

-Grassy will get more screentime in TPOT 20

-Ruby listens to Lemon Demon all the time

-No exact release date for source files but they will come out eventually

-II season 1 was split into two parts due to Adam and Brian being in hurricane sandy and they had no power for a week so it had to be split

-BFDIA 5B is an actual episode

-IIV's character choosing was because they wanted to go for a more open world this season and focus on older characters that we havent saw inuniverse inawhile

-Winner is made out of chalk

-Springy is still in the void and okay

-Cake at Stake was called that because it rhymed and cake was a better safety prize then marshmallows from TDI

-The 2024 BFDI and II crossover short happens in the real universe

-Grassy and Winner will have to find a way to get everyone back in TPOT 20

New York July 13th 5:00 PM QNA

- Maybe we will see Marker go back to purple in the future
- IDFB 2 will resolve a lot of plotheoles
- Rocky is an igneous due to his vomit being lava hot
- Fanny hates everything because she doesn't want to decide what's good or bad
- Weird AI Collab in BFDIA might happen if they get contact with him
- There's no families in II which is why no one can remember their parents
- The contestants will meet more algbaliens soon
- Leafy's certificate from BFDI 25 probably got revoked when pin said she needs the death penalty
- Box's (II) Voice Actor got casted to voice her because her VA were friends with Adam on Twitter
- If Gaty didn't sign the contract in TPOT 15, One would have frowned and the world would've ended
- Remote's buttons can control Robot Flower
- A reason on why BFB 13 and 14 took so long to make was because of them working on the scholastic BFDI character guide book
- Three might be a villain in TPOT
- if BFDI was a contestant vote, The alliance would have made it to the final 5
- a BFDI all star season would have Profily, Woody, and Balloony in it
- Yin Yang is II's supreme leader
- II's Remaster doesn't effect the Inanimate Insanity timeline meaning it's probably non canon

Chicago July 19th 11:00 AM QNA

- The reason why book has a loosing streak is because she just sucks at challenges (which we all know ofc)
- Pencil from BFDI and II ARE different from eachother not the same
- Adam says that we will get to see Silver and Candle have more info on their inner flames
- Michael is a fan of otters, BFDIA contestants loves Seals but wouldn't trust them around them
- Michael says if he had the choice to go back in time he wouldn't change anything just keep it the same, Adam says if he could go back into time he would just try to be a better animator in 2011 but other then that he would keep it the same
- The reason why Bomby likes Bananas and Cake is because some commenter who suggested to say "Yeah, Bomby likes Banana and Cake" and Michael followed that person's advice and put in there
- Michael won't say what plush they are making next, But Adam says they are working on rn is OJ plush
- Lightbulb is blue because Test Tube administered the blue ray on her, so essentially it's a blue protective coating that is using the energy of the shimmer energy that will make her alot less breakable, and wished that he made balloon blue also
- Sams favorite character 9 if they went on a dream vacation it would be a skatepark, 15 favorite place is just their cabin, Michael favorite character would just stay wherever they are, Nickel would go to the aquarium and look at the seals, Taco would go to the beach or the bora bora or even Tahiti, Marshmallow would stay at the mansion with bow and keep it chill
- Four and X friendship has been around since 2008
- Michaels favourite character to voice is Fries

- Michael wants to make a game as he said "it feels like one is being worked on right now" but doesn't know when, Adam thinks it would be fun to make a game in the future
- Adam thinks that Taco can still spit out lemons, but chooses not to at this point as she doesn't naturally like doing it, but felt that it was a good avenue to trick everyone in the first season
- Michael said that for tpot that has a biggest chance on defeating One is Grassy
- Michael loves the fourth season which is BFB just because the music that either has been playing in this venue or the other venues is the soundtrack which is really fun to make, Adam goes back in fourth between season 3 and 2 and how consistently consistent, Season 3 is the whole time but likes the final of Season 2
- We know that the yellow tomatoes undo the effects of the Yoyleberries, and the blue tomatoes make their eyes fall off, but the other tomatoes are death
- When they brought BFDIA back in 2023 their favorite aspects was the asset animations because it was gone for so long and they are happy to bring it back and Sam loves the charm of BFDIA
- Sam said that we will be seeing Dora, Stapy and David soon!
- Adam who tried to voice Fan said "If My Little Pony Existed in the II world ofc I'll watch it"
- Adam said the what was really special about the reveal you know, kind of revealing the initial the romantic connection in the finale was when it was revealed that all of them were designed for a specific purpose, he thinks it was really special for them to kind of show, and also saying maybe this is something that they weren't designed necessarily to do, but they actually organically developed outside of that creation, while also saying we will be seeing more of them

Chicago July 19th 5:00 PM QNA

- Popup Cafes might happen in future meetups
- Adam wants to meet Coiny and Nickel irl just to be rich
- Christian Patenza voiced Mephone4 in the 2011 version of II episode 1 because Adam Katz saw his yt banner and thought it was bad, so he improved it and he asked him to voice act something on II
- Coinpin arc has been planned since BFDIA 18
- Fries's fries taste like McDonald's fries
- Maybe a season 2 of fan's fantastic features will happen soon
- II might have an opera soon
- Michael said that they might not make any other object shows even if they run outta of ideas but even if they tried a new idea they will make a new season of BFDI, Adam is working on other shows that hasn't been created, he's worked on Centaur World, but not sure of what else
- Adam said they weren't gonna add MePhone4 but since he was asked that question he is now gonna
- If One had all the powers all the way up to 2763 they would not be able to beat them as 2763 would hear this coming and start training to get more stronger to beat One
- Not gonna answer this one bc Cary wasn't there
- After BFDIA is over they would be working on IDFB, Adam doesn't know what will happen since they are currently working on S4
- If everyone from BFDI and II would be put into a Battle Royale would be either Pillow, Grassy, One or Black Hole

- The most character they had fun making from II and BFDI, Adam said it was Steve Cobbs, Michael said it was Fries ofc
- Sam said there might be a game in development right now, For II Adam said there are no games in development right now but if so it would be cool to have a Super Smash Brothers adjacent
- If they had to go to a characters shop, Michael would try to find Cloudys Collection and try to buy items from it, Sam would go to Gelatins store
- The reason why Lightbulb has a pet crab is because the Voice Actor for Lightbulb which is Michael Bzone which really liked the movie Anchor Man, Which there's a scene where Will Barrel the main guy who punched a dog off a bridge and the name of the dog was named Baxter so he screamed "NO, BAXTER!!" And Michael thought it was so funny that he improved that and decided to give Lightbulb a pet, and that's how Baxter was born

Chicago July 20th 11:00 AM QNA

- Sam wants the algebalien to be in a BFDI season, meaning some algebalien might be in season 6
- The plot of the next BFDI and II crossover short could focus on the II characters getting the BFDI recovery center from the BFDI world back into the II world
- We will see Bracelety interact with Icy for the first time at some point
- More of the Non-TPOters (Post Splitters, Failed Debuters, Eliminated Contestants, ETC, will be getting more screentime, maybe an episode about them)
- 2763 from the sub special is made out of sandpaper or smth
- Florence is still writing the 3,000,000 Sub Special as of right now
- Grassy is fine, and we'll see more soon
- What happened to Mephone4 and Mephone 3GS will happen later in IIV
- Mephone4 would wanna be more interested about seeing Poppy's past
- Grassy, Flower, and Leafy are in a found family together but they don't know eachother that much
- Rocky will maybe never speak again
- MORE THREE THIS YEAR I AM GONNA CRASHOUT I HATE THIS SO MUCH RAHHH
- Poppy's secrets have been hinted in the II Season 2 finale but no one has even realized them
- Pickle will appear more in IIV soon
- IDFB 2 will be continuing- but the crew has realized they already answered this so 🧑
- There's a possible chance death will happen in IIV, and Sam wants lightbulb to be killed forever
- Maybe who was in the tent on Roboty's Waterfall will be found out next episode
- Firey would be a very absent father to Firey Jr
- Grassy doesn't know that Winner and Loser are still alive, or everyone else
- There's no limit to how many BFDI mini seasons there could be, meaning BFDI mini will never end
- Nickle might return
- Where Pencil was sent to will be very interesting and fun
- Book's "Was supposed to win dream island" definition is already outdated, even years prior before BFDIA ended

-BFDI started because of a 5th grade assignment Michael had where he had to make a fake catalog with Fire Sponge and Water (as a RPS replacement) and then the twins were like "let's make a TDI clone with them"

-More Balloony and Announcer stuff soon, maybe more speaker box content soon

-Baxter has a new design already made for season 4 of Inanimate Insanity

Seattle July 26th 5:00 PM QNA

-The reason the art style changed from BFDIA to BFB was just so that more artists express their faces more

-We don't know what is inside the announcer, and everyone is too scared to find out meaning it may never be opened

-We might find out where each algebralien get their powers from in future TPOT episodes

-Balloony might become blue with the Blue Ray energy in IIV soon

-One would listen to Brutal by Olivia Rodrigo due to it matching one's vibe

-IIV could get an intro by a future challenge where they have to make an intro for the season

-Sam's favorite character to voice is Suitcase in II, Cary's favorite to voice is X, SonderingEmily's favorite to voice is One

-JNJ are making on a new comic book soon

-The reason the recommended characters exist in BFDI was because Cary wanted to help the BFDI fandom grow after everyone saw jaysillyboy recommend bomby in BFDI 9

-Puffball Speaker Box and Puffball would listen to vocaloid

-We have to watch TPOT 20 to find out why leafy is annoying according to One

-II actually started off as BFDI fan art

-We don't know if bubble was a bubble before

-The algebraliens don't have their canon birthdays

-Lightbulb is actually transgender

-Pickle and Taco will interact soon in a different context

-Insert the infamous Rule 34 question here

-Teardrop doesn't need to speak

-The II2 ARG was inspired by bill cipher hunt from gravity falls, also another ARG for II will happen soon and it'll be harder

-5B will also be finished

-Sam has no plans to show off any algebraliens in BFDIA or IDFB

-Object shows can be for babies and they can't be for babies

-Firey, Spongy, Teardrop, Match, and Woody's birthmonths are in May 2008, but the date is unknown
