

PAS framework rework.

SL : Troubling Car preparations.!

The winter is coming.

You wake up on a snowy day.

And you still don't know how to prepare your car.

This is a big problem, not only for you

It creates this unpleasant feeling

This is bad.

Especially if your a busy man.

You need a break.

Take a break from life's problems with a Volkswagen - the perfect car for a busy mind.

Wouldn't this make your life easier?

We both know the answer.
