

Social Spaces Working Group (AL, VG, DF) Apologies (BJ)

MEETING ONE NOTES March

WE DISCUSSED

Can we make more welcoming? For whom? Who uses/hires the meeting room?

Zone areas for multi-users esp. smaller events

Can we run two events at the same time. How do we develop but keep areas distinct?

Current outdoor chairs not comfortable - buy cushions = wait for approval

Warmer flooring ? rug?

Meeting room could have a softer/warmer ambience

Possible hatch has been discussed before. Sliding window could stop children coming to the bar?

Door to bar? can it be opened at social times/be moved/dressed with window blinds?

Who/how many are using pool/ do we have a darts team?

Are the sound things/clouds doing a job in the meeting room or can we insulate the room instead?

Heating could be set to timers.

Could we create a cafe vibe and serve snacks at times?

Where will money for changes come from?

Can we create storage i.e children's games, library?

Will meeting room remain dog free zone?

Can we rename the bar and/or meeting room?

ACTIONS

Request to Trustees that pool table moves out of meeting room

No other changes until agreed

Consultation with members for ideas - VG create questionnaire. Present to Trustees. Online (AL) + paper.

AL begin some interior design drawings

Encourage that the questionnaire is completed, set deadline date + opportunity to feedback
