

Apply Kansas

The first step in going to college is to apply! For many students, applying to college can be a daunting task, but it can be particularly overwhelming for students who may be the first in their family to pursue post-secondary educational dreams or have yet to consider their plans after high school. Apply Kansas, is our annual statewide campaign in which high schools conduct events to help seniors apply to college with their peers and with help, guidance and a cheering squad from school staff, local community supporters, and post-secondary volunteers. In partnership with the **American College Application Campaign**, Apply Kansas is **a month-long, state-wide initiative** to increase the number of students applying, enrolling and succeeding in college or other post-secondary goals.
