[General furry art](#) / [ABDL related art](#)

Hello, I am **Unia Moon** aka **ZombiNeko**. First of all, I want to thank you for wanting to commission me. These are my general Terms of Service; if you have any question, feel free to ask.

T.O.S.

→ When buying a commission, you are agreeing that you are of legal age (18 years or older) to make the purchase.

→ Payments should be made upfront through Paypal in USD. After your commission is approved and we both have arrived to an agreement, I will send you an invoice. I won't start working on your commission until you have paid.

→ Depending on the commission type and complexity, I may send some wips (work in progress pieces) before the final product is completed. Anyhow, some minor changes can be made to the final picture if needed.

→ Commissioner can re-post the picture anywhere at any time, linking back to my furaffinity page. I may re-post the picture in different social medias too, like Tumblr or Twitter.

→ The commission will be fully completed in a week or two time (unless it is too complex or if events of force majeure happens).

→ There won't be any refunds: if you are willing to commission me, please think thoroughly about it first.
