

Hey Nassar,

I've been following you on my personal account since last October. I'm so impressed by your dedication to fitness and your stories are a constant source of inspiration for me.

In the last 3 days, I saw your story about starting your own online coaching business, and I have an idea for an Instagram post that will help get clients to your coaching service using my marketing and copywriting skills.

First, I'm going to send it to you for free to read it.

Here it is: [📱 NASSER LAKRIMI IG post](#)

I'd love to get your feedback.

Thank you for your time
