Login

As an elected trusted servant, you have access to Fellowship Connection. Fellowship Connection is a member of A.A.'s family of unified platforms. The two most visible and accessible parts are Online Literature and Contributions Online. With this in mind, your username/email is your primary personal email address on record at GSO. We know that some may have been provided an email address by the Area / District. The email address provided by the Area / District is known as the **Position Email** since it is often shared by consecutive trusted servants.

Your login information will be sent to your primary personal email address. If you don't have a position email, we will use your primary personal email as your position email.

If you do not remember your password, please click on **Forgot password?** and you will be emailed a link to reset your password.

You can change the language of the site by selecting your preferred language (English, French or Spanish) on the language menu, located on the upper right side.
