Wednesday during class, we will load instruments under the bus and travel in our concert dress wear. We will be in our dress clothes for the whole day, WSU doesn't really have facilities for a bunch of HS kids to change in and out of costume.

On the bus, you should have your instrument, your own folder with all your music, your dress clothes on, and money for lunch (or a brown bag for lunch from home).

WEDNESDAY, NOVEMBER 3rd

6:35 AM 0-Hour Jazz Rehearsal in Dress Clothes

8:15 AM LOAD BUSES FOR DEPARTURE in Dress Clothes

8:20 AM BUSES DEPART in Dress Clothes - get my drift :-)

10:30 AM Arrive and Unload

Kimbrough Hall

680 Veterans Way

Pullman, WA 99163

11:00 AM Warm Up, Performance & Clinic - Kimbrough 115 (all on stage)

11:35 AM LUNCH @ WSU CUB Food Court (brown bag, or \$\$)

1:00 PM WSU Jazz Gala Concert (Bryan Hall)

1:45 PM Load Bus and Equipment

3:30 PM Arrive and Unload @ Ridgeline HS

We will need to be flexible during this trip. WSU still has significant restrictions and mitigating protocols to help keep COVID-19 under control. We may have some tweaks, I will mark the itinerary UPDATED on the website and send a notice out through the BAND app as well if or when any updates come along the way.

WHAT TO BRING

PERFORMANCE:

Your instrument and your mouthpiece
(this is a rule because . . .)

Your own music, including:

- Mamacita (arr. White)
- St. James Infirmary (arr. Davis)
- Minor Chant (arr. White)
- Music Tool Box

Long black socks for your black dress shoes, black dress shirt (collared/button-up), black slacks or long-full black skirt.

LADIES, you are welcome to wear a black blouse in lieu of a dress shirt. If your blouse has a lot of shoulder or neck, you are also free to wear a cardigan to help dress it up a little.

Don't forget to bring a plan for lunch - either a brown bag or \$\$ for the food-court.

THINGS WE DON'T WANT FOR CONCERT CLOTHES:

Black jeans

Black tennis shoes - or any tennis shoes

White socks

T Shirts, long sleeved t shirts

Necklines or skirt lengths that lack stage awareness
(remember you are under the lights, and you sit at eye level of the audience)
