UNIT 5: Poultry

WEEK 5: September 28- October 2, 2020

Learning Targets

This week we will learn...

- What are different breeds of poultry?
- What animals are considered poultry?
- What are the internal and external parts used for digestion within poultry?

"I can" Statements:

1. I can recognize different breeds of poultry
2. I can identify the external and digestion anatomical parts of poultry

Learn About It!

You can explore some, or all of these resources. If you want to see a resource again, go for it!

[Top Egg Laying Chicken Breeds](#)
[Top Meat Producing Chicken Breeds](#)
[WI Chicken Production](#)
[Chicken Butchering Video](#)

Practice It!

Work on these activities to apply what you learned.

1. [Egg Processing Video](#) - Wash our Classroom Eggs
