

Privacy Policy Time Wise Extension

Last updated: December 18, 2024

Introduction

This Privacy Policy describes how our Time Wise Extension ("we", "our", or "the Extension") collects, uses, and handles your information when you use our browser extension.

Information Collection and Use

The Extension is designed to operate with minimal data collection. We collect and store only the following information locally on your device:

- User preferences and settings
- List of favorite timezones
- Interface customization settings

All data is stored locally on your device using browser storage (chrome.storage). We do not collect, transmit, or store any personal information on external servers.

Data Storage

- All data is stored locally on your device
- No data is transmitted to external servers
- No personal information is collected or shared
- You maintain full control over your stored data

Offline Functionality

The Extension is designed to work offline and does not require internet connectivity for its core functions.

Third-Party Services

We do not use any third-party services or analytics tools. The Extension operates independently without external dependencies.

Data Security

Since all data is stored locally on your device, security is managed by your browser's built-in security features.

User Rights

You have the right to:

- Clear all stored data through browser settings
- Disable or uninstall the Extension at any time
- Access and modify your stored preferences within the Extension

Changes to This Policy

We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on the Chrome Web Store.

Contact Us

If you have any questions about this Privacy Policy, please contact us at vqh.dev@gmail.com.

Children's Privacy

The Extension does not knowingly collect any personal information from children under 13 years of age.

Consent

By using our Extension, you hereby consent to our Privacy Policy and agree to its terms.
