

Stallion Nation-

I hope this email finds you all doing well. We had a great week getting to know many of our freshmen during the Summer Bridge Program. Thank you to everyone who came out to our Community Open House and Meet the Stallions event on Saturday. It was great to see everyone out supporting our school.

Students will be able to view their schedules in Powerschool on August 16th. We are continuing to tweak schedules so please know that there still may be minor changes to schedules between now and the first day of school. Thank you in advance for your patience as we work on finalizing schedules.

Our traditional open house is scheduled for Tuesday, August 22nd from 5:00 to 7:00. This event is for students and parents to walk their schedule and meet informally with their child's teachers. This is a floating event so feel free to stop by anytime between 5:00 and 7:00 on August 22nd.

This Friday, August 18th from 2:00 until 6:00 we will be handing out laptops to students. It is very important that students have their laptop on the first day of school so that our teachers can begin delivering personalized instruction on the first day of school. In order to pick up a laptop, students must have a signed [ABSS Laptop Agreement](#) that is signed by the student and a parent or guardian. We will have hard copies available of the laptop agreement on Friday.

Parking Permits are now available for the 23-24 School Year. They cost \$30 and they are nonrefundable. Parking permits will be on sale all year so if your child will get their license later this year, you can buy a permit once they have their license. Please click the link below to purchase a parking permit for the 23-24 school year.

Our fall sports have gotten off to a great start. We are still looking to add members to our women's golf, women's tennis, and men's and women's cross country teams. If you are still interested in joining one of our teams you need to register in Dragonfly. For more information or questions, contact our athletic director, BJ Condon at william_condronjr@abss.k12.nc.us.

On Tuesday, our JV and Varsity Volleyball teams will host Chatham Central High School. All SEHS students will be admitted to the game for free. Please come out and support our volleyball teams.

Any students interested in being involved with our student section for athletic events, please join our student section [sportsyou](#) page. The code to join is: E2C8A8LX

Just a reminder that ABSS has a clear bag policy for all athletic events. Please make sure that if you plan to bring a bag into any athletic event the bag must be clear. Please see the graphic below so that you can plan ahead. Thank you in advance for your help with this policy.

Breakfast and lunch are not universally free for all students. If you would like your child to eat meals at school, you will either need to put money on their online account or you will need to secure a free/reduced lunch status by filling out the required form. The form is available in the office or you can fill it out online: <https://www.lunchapplication.com/>

ABSS & Alamance County Health Department (ACHD) have collaborated to provide multiple immunization opportunities. These mobile immunization clinics have been arranged in different locations across the school district to promote the ability to attend for those that are in need of additional vaccinations, more specifically targeting the known needs of many of the 23-24 kindergarteners, 7th graders, 12th graders, as well as new enrollments. Please see the [Flyer](#) for more information.

- Western Alamance High School August 16th 9am - 12pm
